

How to Access Science Fusion Online?

1. Student will go to www.clever.com and click “log in as student”

2. Student will click “sign in with Google”

3. Student will click on "Science Fusion" icon

The screenshot shows the Clever LMS interface for Washington Heights Elementary School. The top navigation bar includes 'Library', 'Applications', 'Classes', 'My Page', and a user profile for 'Kelsey Shue'. The 'Applications' menu is expanded, displaying a grid of application icons. The icons shown are: Benchmark Education Company, Edmentum - Courseware..., Edmentum - Study Island, and ScienceFusion. The ScienceFusion icon is highlighted with a blue border. Below the ScienceFusion icon, the text 'ScienceFusion' is visible. To the right of the application grid, there are two call-to-action buttons: 'Help a Student' and 'Get Clever Class Resources'. The left sidebar contains navigation options: 'Naviance', 'Instant Login Applications', 'Houghton Mifflin', and 'More Apps'. The 'Houghton Mifflin' section is currently selected, showing the ScienceFusion icon.
