Notice to Financial Aid Applicants and Current Financial Aid recipients,

You may be able to receive a financial aid adjustment due to the recent unemployment of a family member or independent student, or other circumstances. If you or your family's financial situation has changed significantly from what is reflected on your federal income tax return (for example, if you have lost a job or otherwise experienced a drop in income), you may be eligible to have your financial aid adjusted. Complete the FAFSA questions as instructed on the application (including the transfer of tax return and income information), submit your FAFSA form, then contact Mr. Ken Porter, Work Force Development Director, to discuss how your current financial situation has changed.
