**Staff Update: Remote Learning Status  
Effective January 4, 2022, through January 14, 2022**

Dear Little Wound School Staff,

Little Wound School Board has authorized LWS to remain in remote learning status from Tuesday, January 4, 2022, through January 14, 2022. This applies to all students in elementary, middle, and high school. (There is no school for students on Monday, January 3, for a pre-scheduled staff professional development day.) This decision will allow for students and staff to physically distance after winter break. The remote learning status is a temporary mitigation strategy to reduce community transmission of COVID-19. It is Little Wound School's plan to return to in-person, on-campus learning as soon as possible.

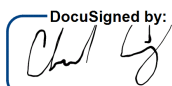

During this time, employees who can work from home are encouraged to. All staff members should contact your immediate supervisor to confirm your work-from-home status. Those staff members who cannot work from home may continue to access campus but are required to exercise physical distancing and follow all campus COVID-19 safety protocols.

As a reminder, January 3, 2022, is a professional development day to allow for preparation and planning, including for the resumption of remote learning on January 4.

All staff members should continue to follow Little Wound School's approved staff policies pertaining to COVID-19 vaccination and boosters. If you have any questions about these staff requirements, please contact Anne Hunter ([anne.hunter@littlewound.us](mailto:anne.hunter@littlewound.us)).

Thank you for your understanding during this time and your steadfast commitment to serve our students. We will keep you informed about any changes to our established operational plans.

Sincerely,

DocuSigned by:
