Exceptions to this policy will be granted in emergency situations and in the case of military recruiters, college recruiters, etc., where advance arrangements are made with the building principal. Visits or conferences with students during the school day result in the interruption of the overall educational process and are generally discouraged, except in emergency or unusual circumstances.

7. Discussions Of Students

School personnel should not discuss individual students or the performance of those students with any non-school persons except that student's parent/guardian without the written permission of such parent/guardian.
