Cangleska-Circle of life

As part of the mission of the Lakota Studies dept. we will post a Lakota Value each month. We ask teachers, staff, and parents to include that value in your everyday experiences. How can we practice the value here at school and at home?

Lakota value for the month of September:

Wotakuye: staff will model this by addressing students and one another using kinship terms. How can we all practice “being a good relative”.

We are still searching for one Lakota language coach. Please call Whisper Catches, HR for more information.

Pilaunyapi Vienna for all her help printing labels with the Lakota word for equipment that are in your classrooms and departments. If you have items in your classroom or depts. that need translations, please email us or ask a Lakota teacher in each of your departments.

Updates

Recruitment

We are still recruiting speaker-learner pairs for grade Pre-K to the eighth grade to be part of the program. Program will conduct a survey to identify Lakota speakers at home who can work with their child or takoja at home.

Incentive

Lakota language coaches will work with families at home and provide them with resources to use. Families will receive a monthly incentive to attend after school activities and monthly Tiwahe Woecun (family activities).

October events for Native American Month by Opta Ocanku

- Buffalo Hunt and Culture week
- Wacipi and community feed
- Watch for fliers and emails for other cultural activities
