December 9, 2021

**COVID-19 Exposure and Transition to Remote Learning Status  
Effective December 10, 2021 through December 15, 2021**

Dear Little Wound School Community,

This notification is to inform the community that three individuals within our school reported positive tests for the coronavirus (COVID-19) on December 9, 2021.

Little Wound School is following its COVID-19 community spread mitigation procedures and has or will notify individuals that may have been in close contact with one of these people.

In response to these cases of COVID-19, Little Wound School's coronavirus response committee has recommended that our campus closes effective tomorrow, December 10, 2021, through next Wednesday, December 15, 2021. Effective immediately, Little Wound School will be in remote learning status, and student instruction will continue uninterrupted, online.

The boys and girls basketball games against Crow Creek, scheduled for Saturday, December 11, 2021, will be rescheduled.

Little Wound School is requiring all students and student-athletes scheduled to attend the Lakota Nation Invitational (LNI) as a participant to show proof of a negative COVID-19 test before the start of the event. Student-athletes must have a negative COVID-19 test before resuming in-person practices on Monday, December 13, 2021.

If you have any questions about Little Wound School's response to COVID-19 or LWS testing protocols for participation in LNI, please contact our school's nurse, Lindsee Harris ([lindseeharris@littlewound.us](mailto:lindseeharris@littlewound.us); 605-455-6213), or visit our website, [littlewound.us](http://littlewound.us).

Thank you for understanding that these precautions are designed to support the health and safety of our students, their families, our staff, and our community.

Sincerely,

A handwritten signature in blue ink, appearing to read "Charles Cuny, Jr.", written in a cursive style.

Charles Cuny, Jr.  
Superintendent, Little Wound School
