**Supporting the Little Wound School Community through an
Extended Thanksgiving Break**

Dear Little Wound School Community,

For nearly two years, we have together navigated the academic, social, and mental health challenges of a national pandemic. COVID-19 has caused stress and sorrow and, in conversations with members of our community, it is evident that our greatest need right now is time to rest and renew.

With this in mind, **Little Wound School will be closed the entire week of Thanksgiving, from Monday, November 22, through Friday, November 26.** These days will not be made up later in the year, and we believe this extended break will create space for our students and staff to focus on self-care and family.

Our school's leadership and administration believes this decision improves the wellbeing of our learning community. We will all return to school on Monday, November 29, stronger and healthier. Thank you for all you do.

Sincerely,
