September 14, 2021

Dear Parents/Guardians of Little Wound Middle School Students:

The middle school will be starting volleyball and flag football. As we are going through this pandemic however, participation will be limited to those 12 yrs. old and older, with vaccination. Any student interested must be vaccinated and have a current physical on file. The practices will start on Monday Sept., 20. The students will practice the last hour of the day and only practice the two days they come to school. These groups will make up the teams they play on. Games will be on Saturday and the schedule is in the process of being made. The season will last through the month of October. We will look at basketball later in the year and see where we are at then before making any decisions. If you have any questions, feel free to call the school and ask for Keith Ferguson or James Pratt.

Thank you, I am looking forward to a great year.

James Pratt

Assistant Athletic Director
