Department:

97 responses

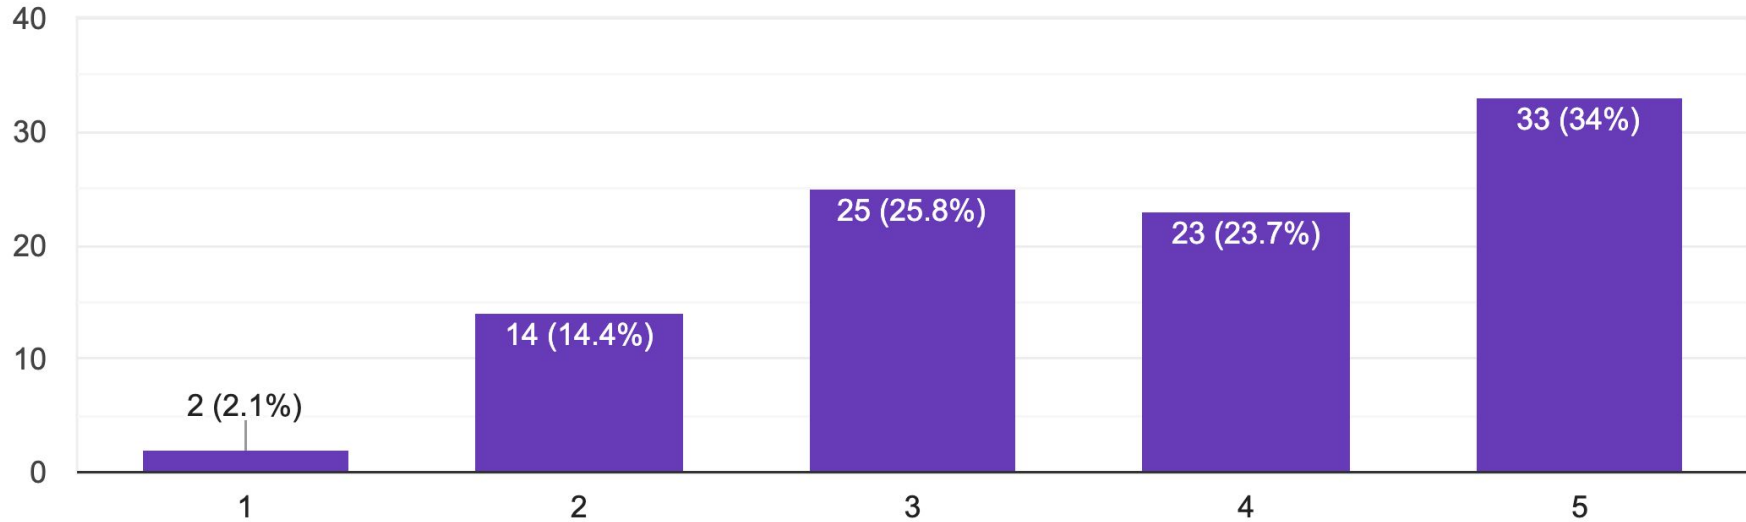

I feel confident Little Wound School leadership can bring me back to work safely.

97 responses

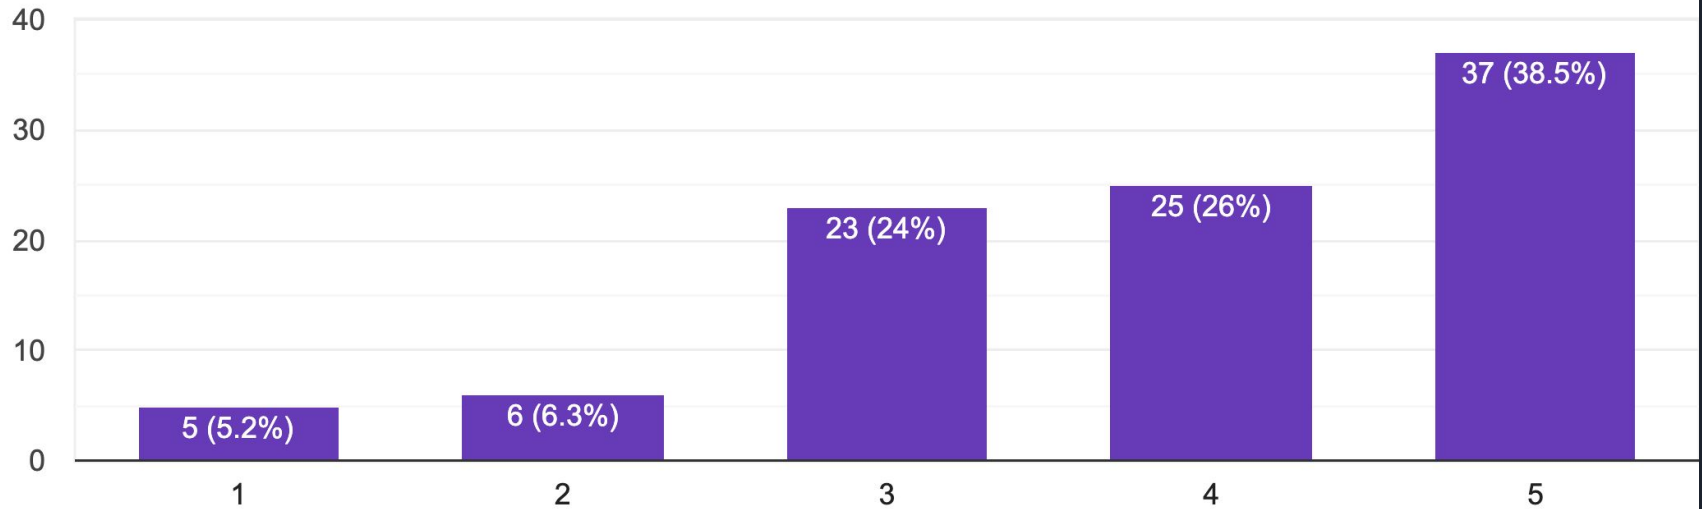

I believe appropriate safety protocols will be in place when I return to work.

97 responses

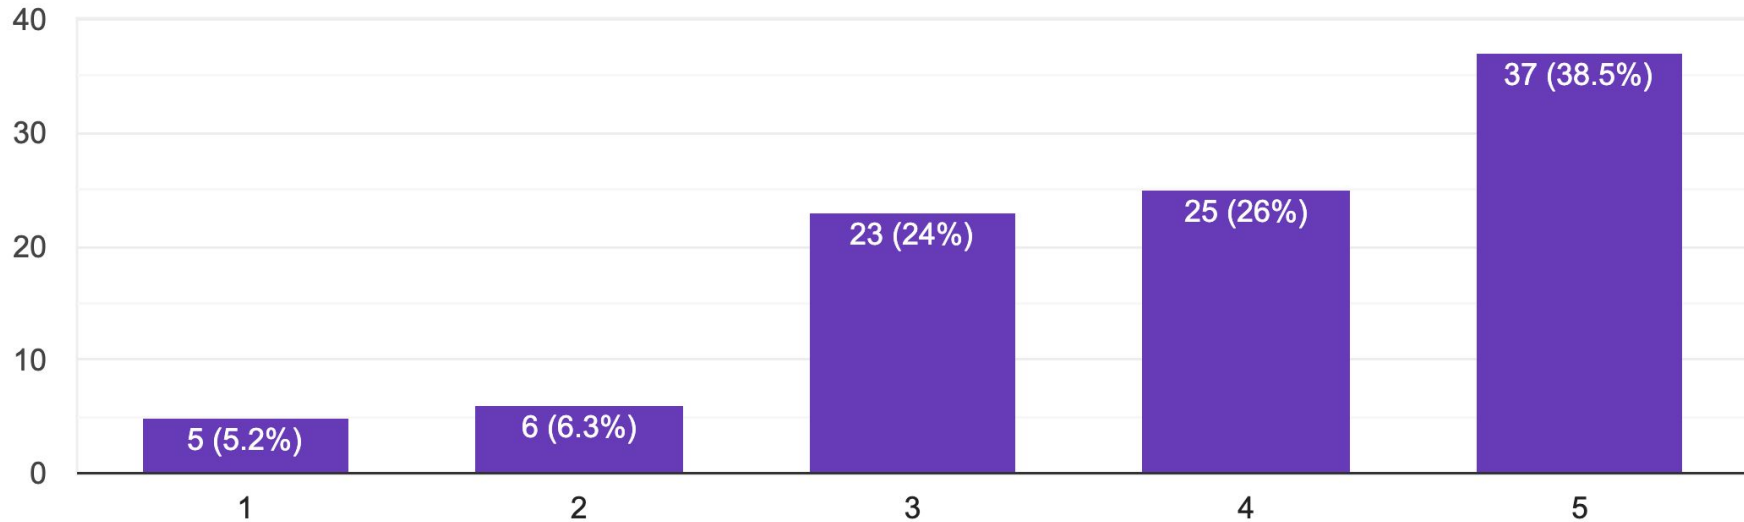

I understand the safety protocols being implemented to prevent COVID-19 infections at work.

96 responses

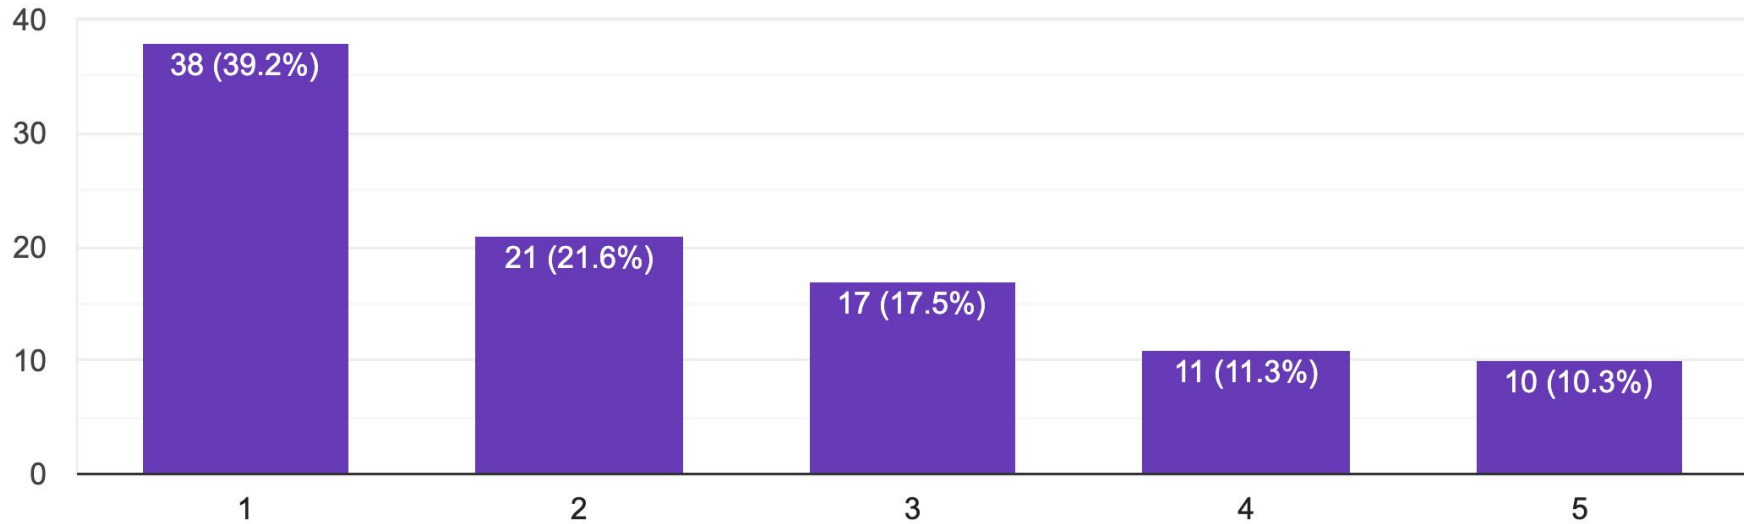

I understand the safety protocols being implemented to prevent COVID-19 infections at work.

96 responses

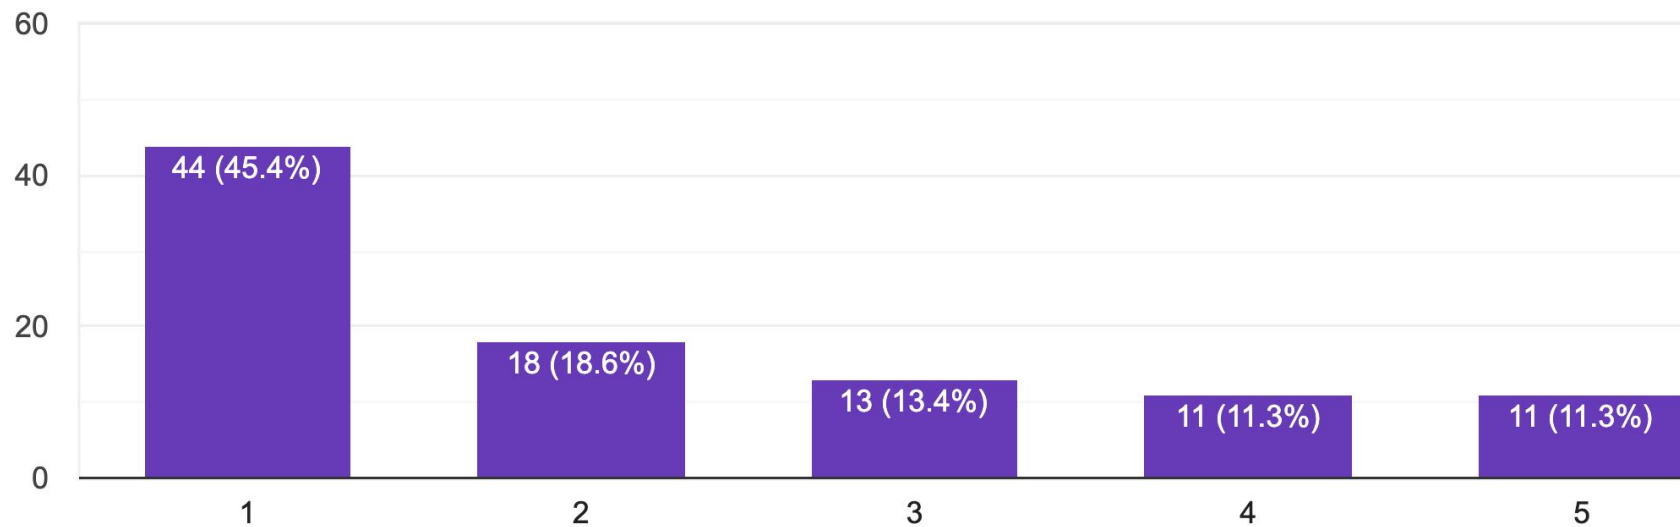

I have no fear of being infected with the coronavirus while at work.

97 responses

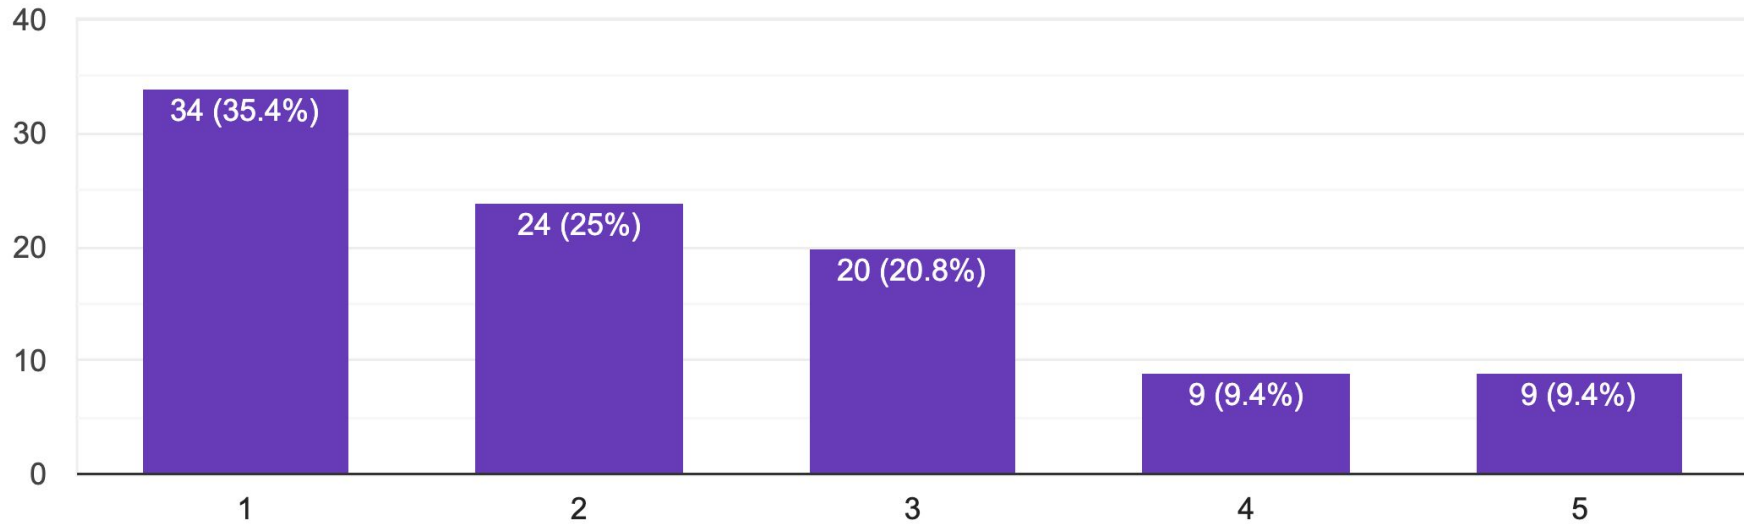

I have no fear that I will carry the virus home to family members and infect them.

97 responses

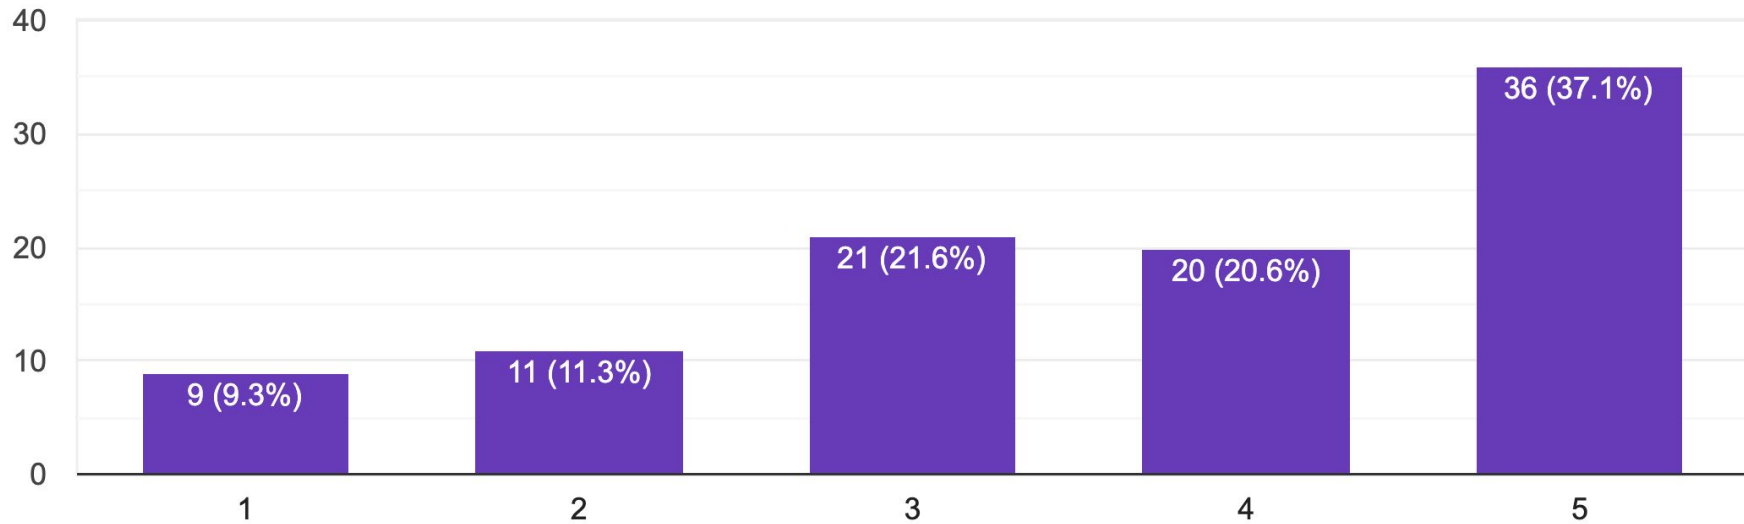

I have no fear of contracting the virus from co-workers.

96 responses

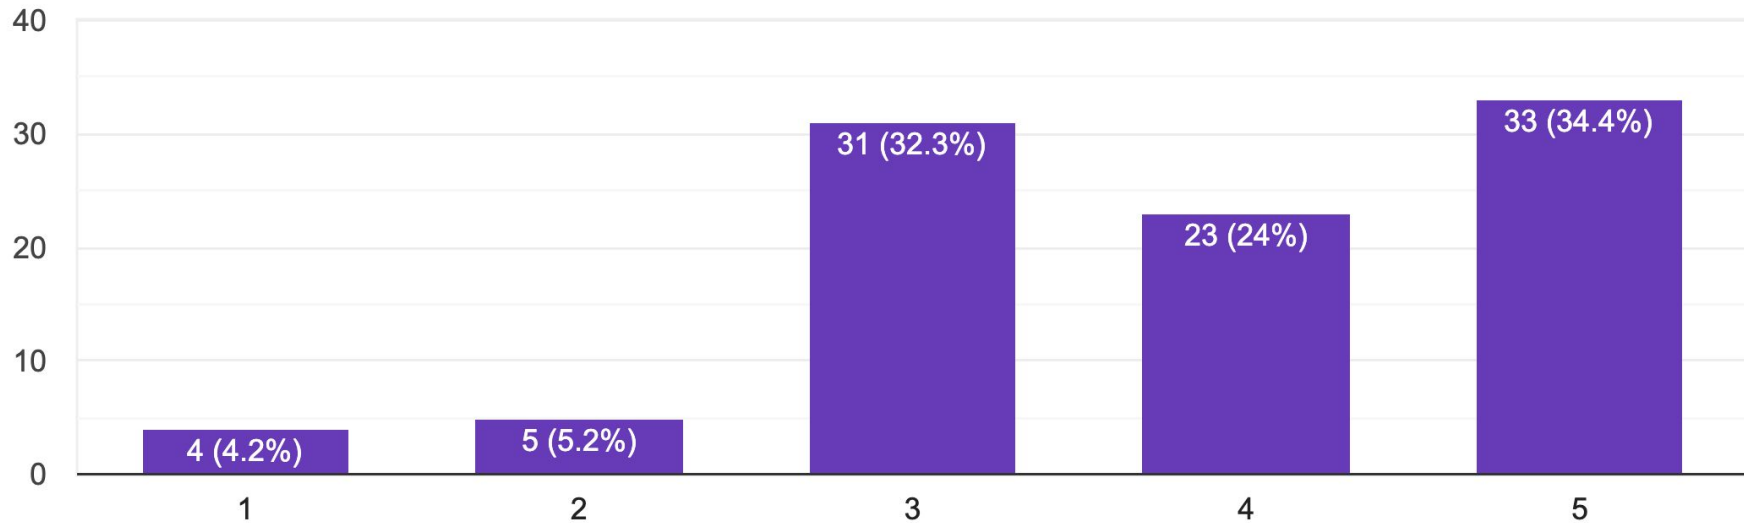

I believe my job would be negatively impacted if I tested positive for COVID-19.

97 responses

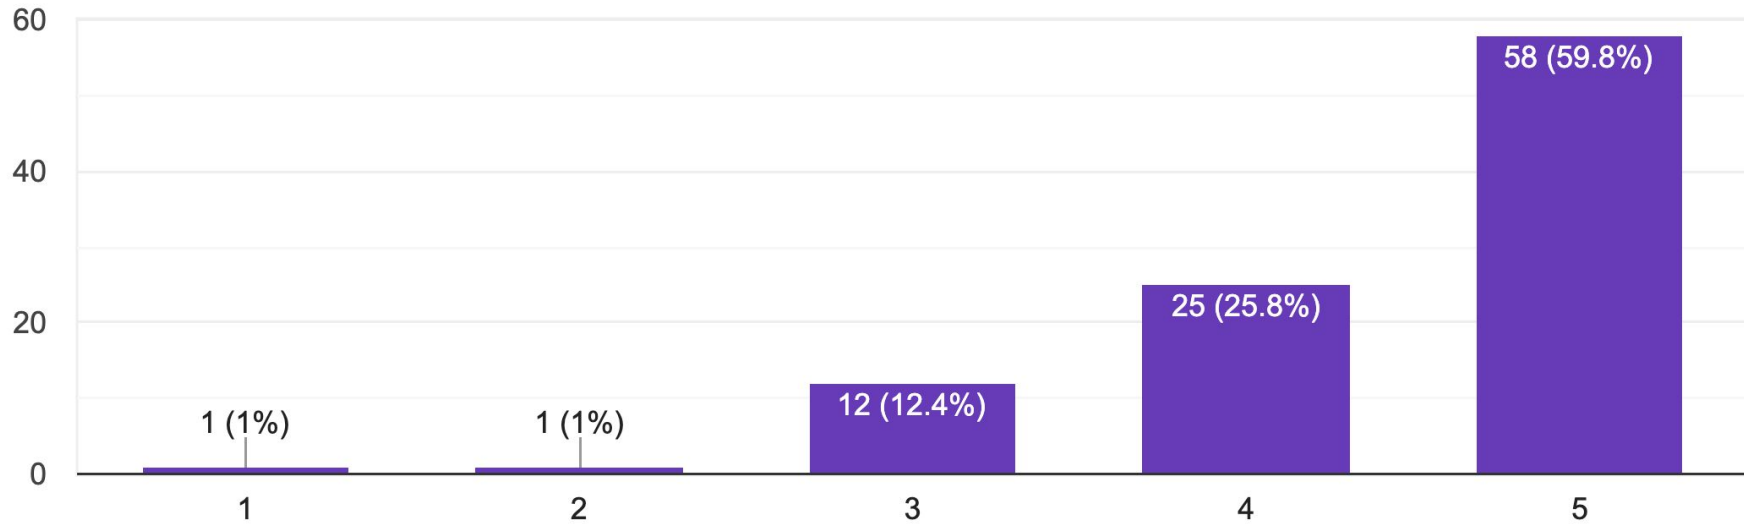

I feel confident about my job security.

96 responses

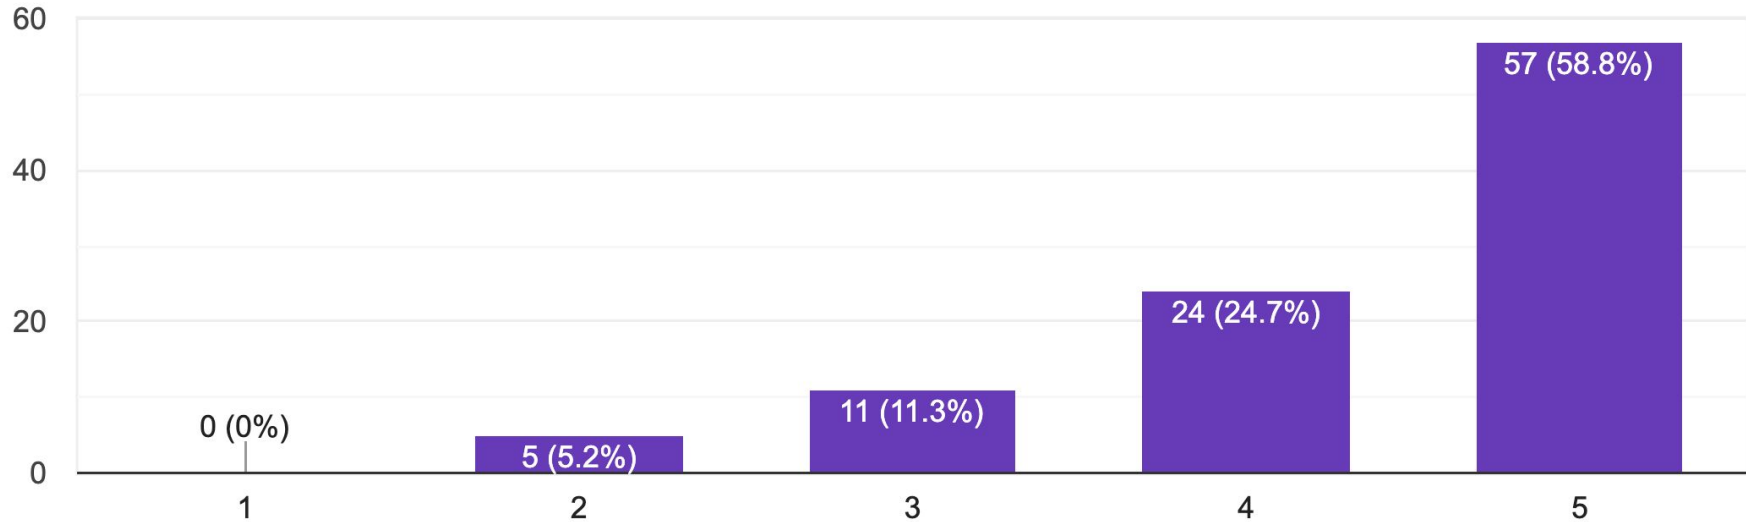

I feel confident about the financial stability of Little Wound School.

97 responses

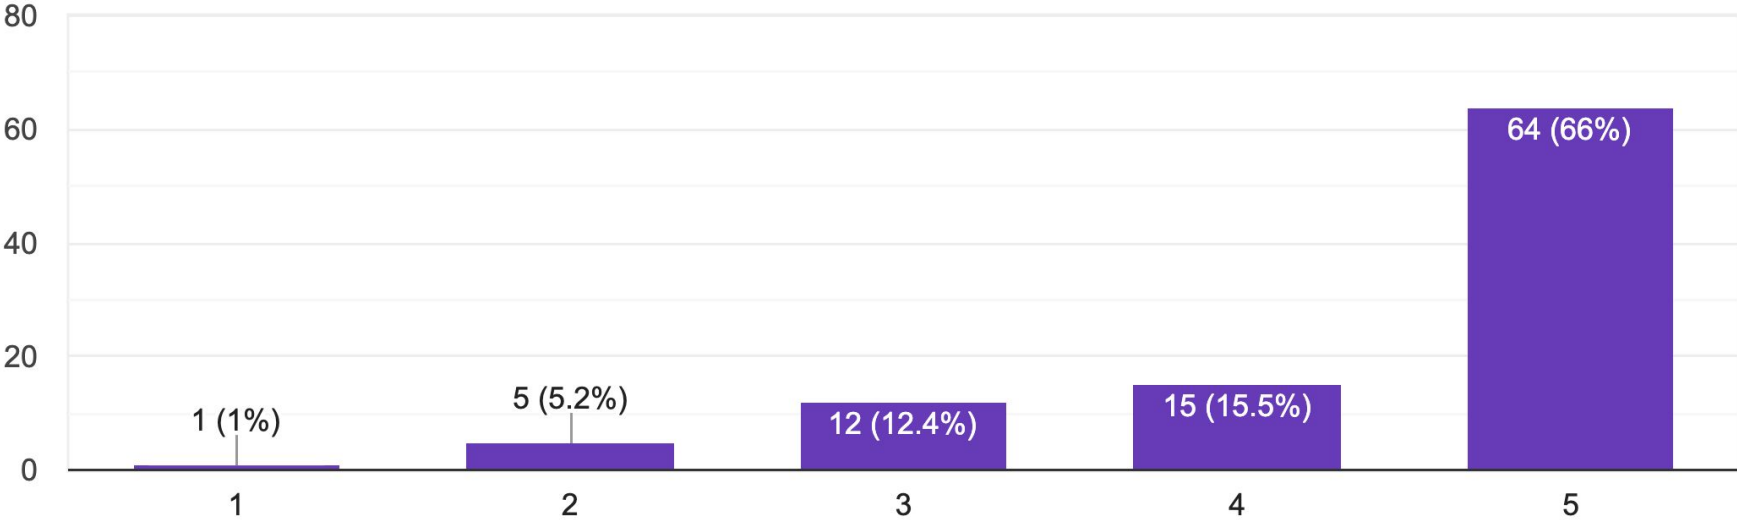

I trust our administration to take appropriate safety measures before allowing employees or students back into school.

97 responses

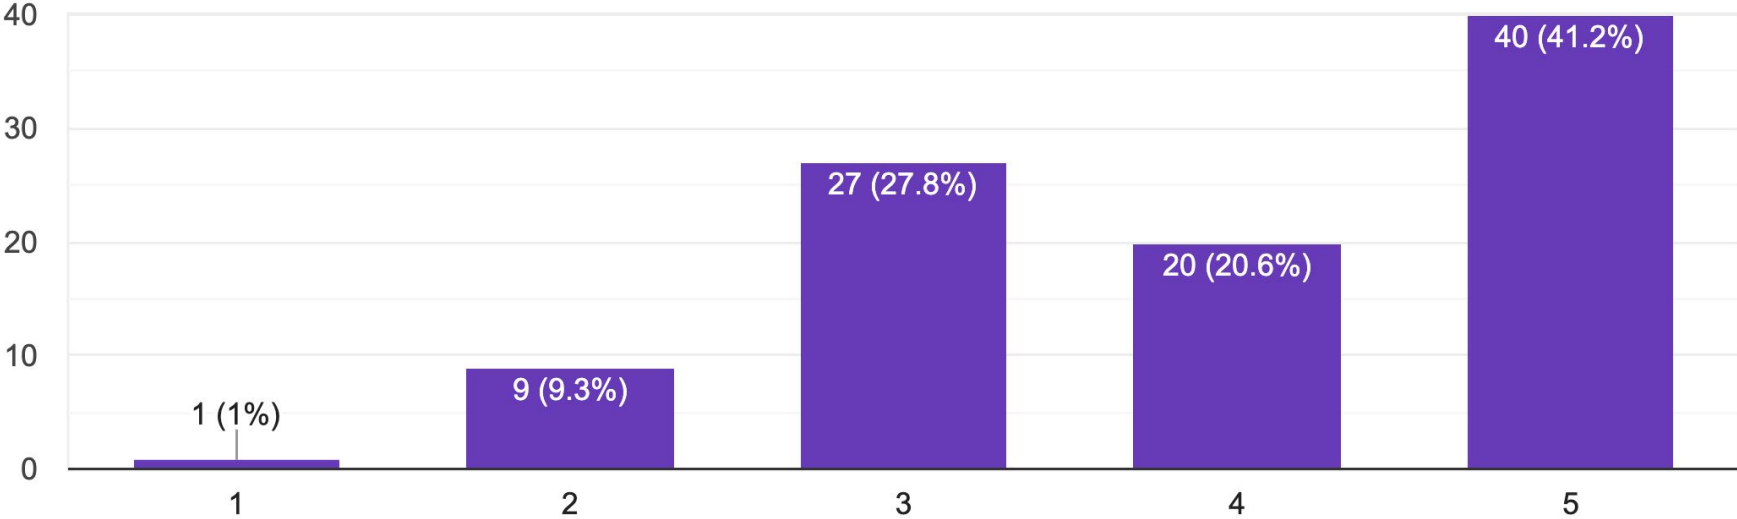

Little Wound School encourages employees to stay home if I am sick or a family member is sick.

97 responses

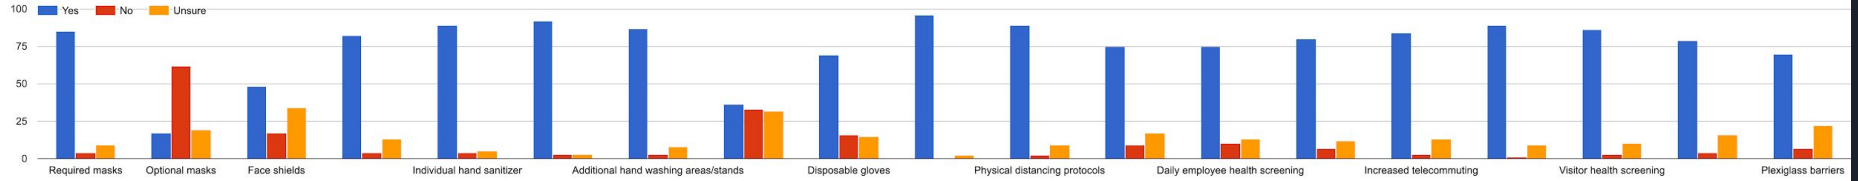

Little Wound School has protocols in place if an employee comes in contact with someone who has COVID-19.

97 responses

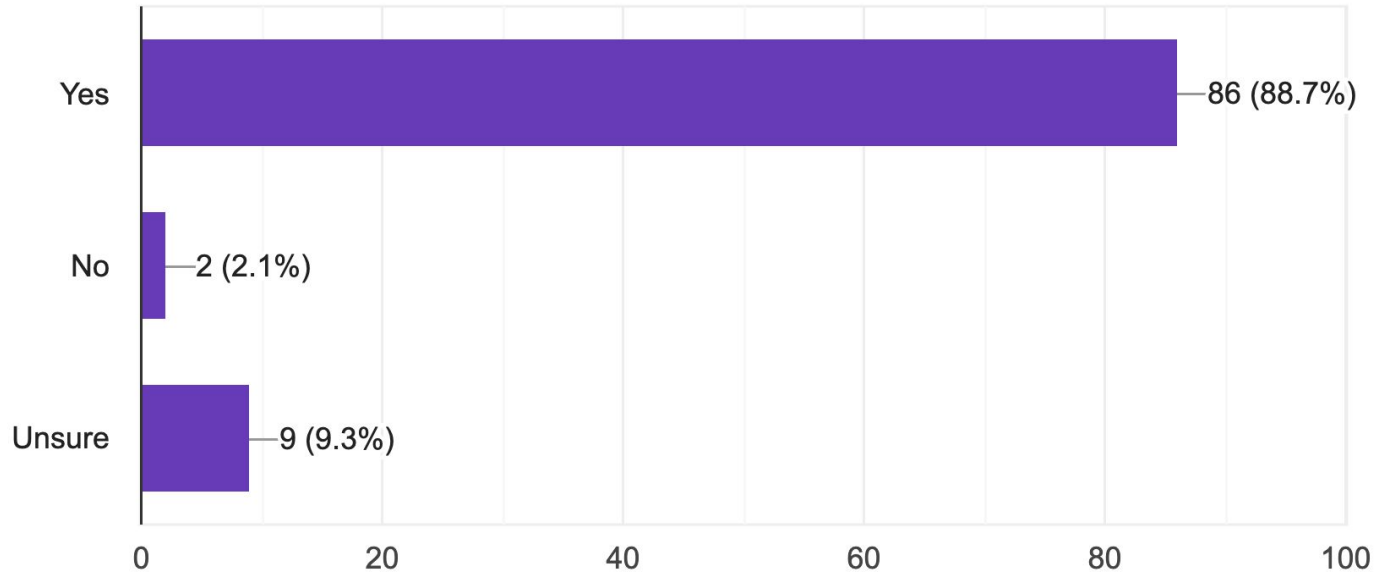

Which safety measures do you want to see in the workplace?

If Little Wound School is unable to bring students back in the Fall and will have remote learning, are you willing to take an alternative role to support the LWS students?

97 responses

Overall, what is your comfort level returning to work.
