Notice of Confirmed Case of COVID-19 of Little Wound Nursing Staff

Dear Little Wound School Community,

Little Wound School considers the health and well-being of our students and staff a priority. With that in mind, we are publishing this letter for your awareness. We have been alerted that an individual at Little Wound School has tested positive for COVID-19. We are following tribal and federal recommendations to ensure that this individual follows instructions for isolation and remains away from others until they can safely return to the school setting.

The individual who tested positive is a staff member with the Nursing Office. Out of precaution we are asking all students and staff who visited the LWS Nursing Office Monday, May 2, 2022 to monitor any signs or symptoms of Covid-19. In addition, LWS will provide tests to students and staff who utilized the Nursing Office Monday, May 2, 2022.

We will continue to provide regular updates as needed and will provide prompt notification of any COVID-19 or other health-related concerns that require your attention. We encourage you to contact us with questions and concerns. For information related to COVID-19, please contact Lindsee Harris at 605-455-6213, by email at lindseeharris@littlewound.us, or visit our website and Facebook page.

Sincerely,

A handwritten signature in black ink, appearing to read 'Charles Cuny, Jr.', written in a cursive style.

Charles Cuny, Jr.
Superintendent, Little Wound School
