Farm show	Jan. 8th to Jan. 11th
Mid-Winter FFA Convention	Jan. 9th
FFA Week	Feb. 18th to Feb. 25

The Union City FFA had the opportunity to travel to Altoona to attend the FFA Fall Leadership Conference.

The first thing we did when we arrived was register. The next thing we did was find our groups that we were in and went to our first session. There were four different sessions that we went to learn about different things about the FFA. In the first session we learned about the abilities you need to be a good FFA leader like needing to have confidence, being a hard worker, etc. In the second session we learned about the proper clothing you should wear when going to FFA events. In the third session we learned about all the different watersheds, the different kinds of meat and

what animal they come from. In the fourth and final session we learned about how the FFA was created, who created it and where. The last thing we did before we left was we ate lunch and then we did an activity about

our future goals in life.

This was a really fun experience for me. I enjoyed going on this trip, meeting new people and learning more about the FFA.

Officer Spotlight

By Kierstin Kiel

Hi, my name is Kierstin Kiel, I am a senior and the president of the Union City FFA. I transferred to Union City in November 2021 specifically so that I could be in FFA. Being in FFA is very important to me because it is a great program that teaches leadership and responsibility, being in FFA also allows me to show my livestock until I am 21 years old.

Showing livestock is a very important part of my life. I show pigs, cows, sheep, and goats as well as horses. This year my goal in FFA is to encourage others to join the FFA program and to educate younger generations on what FFA is!
