Fall CDE Competition
By Zachary Chaffin

The Union City FFA had the opportunity to go to Pymatuning State Park to attend the fall cde competition. They competed in one of the four topics, including aquatics, wildlife, meats, and forestry. Schools from around the area also attended the event.

This was a great event for the Union City FFA students to attend because it gave the students the chance to learn about four different categories that could lead to experiences or opportunities for later in life.

2nd Annual Pumpkin Walk
By Joshua McCartney

The Union City FFA held our 2nd annual Pumpkin Walk October on 28th and 29th. McNulty Farms donated 200 pumpkins to the FFA again this year. The elementary students designed 120 of the pumpkins in art class and then the high school ffa students carved the pumpkins. The middle school and high school life skills classes also carved pumpkins. During the pumpkin walk, the FFA students held a bake sale and concessions stand. While setting up the pumpkin walk the FFA students all enjoyed laughs and fun. We are looking forward to seeing all of the smiling faces again next year.

Officer Spotlight
By Joshua McCartney

Hi, my name is Josh McCartney, I am a tenth grader, I am also the Parliamentarian of the UCFFA. I have gone to Union City since 8th grade. FFA is important to me because it represents the future of our country and sets an example of respect, and rule following. I found out about FFA in the end of 8th grade when I applied to be the treasurer. My 9th Grade year was packed full of fun opportunities the FFA gave me. I have my Green Hand degree and My Chapter Degree. My goal for next year is to run for the Vice president or President Office.
