

WEEKLY CHIMES

December 4 - 8

Better TODAY Than YESTERDAY

Dear SBE Families,

Welcome to December. Remember to slow down and really talk with your child as this month tends to be very busy.. time together matters. Also, your child needs to dress appropriately for outdoor recess. We will go outside for fresh air as long as the wind chill feels like 25 degrees.

PRINCIPAL, Mrs. Keeton

- Due to the State of Ohio dyslexia mandates, we are required to conduct a screener test this school year for all students in grades K-3. After the winter break, we will train our staff and administer this test in February. It is called MAP Fluency. In order to alleviate testing fatigue on our youngest learners, the students who took the K-2 MAP Reading won't take the Winter MAP Reading Assessment since we will have MAP Fluency results. The students who took the 2-5 MAP Reading will continue to take the Winter MAP Reading Assessment since they are more prepared.
