Two Hour Early
Dismissal

April 29 & May 1
OST Testing Math

Testing dates are for the building
however, some dates may vary based
on specific needs.

Dear BCI Families,

As we enter April, students across grade levels will begin participating in state and district testing. Our teachers have spent the year helping students build the skills they need, and this is a chance for them to show what they've learned. While it's normal for students to feel a little nervous, we encourage families to keep routines steady and conversations positive. A good night's rest, a healthy breakfast and a calm start to the day can make a big difference.

In addition to testing, we're also seeing the shift from winter to spring. With changing temperatures and unpredictable weather, please take a moment each morning to check the forecast and help your child dress appropriately for the day. Thank you for your continued support!

Dr. Monroe and Mr. Cline
