

SOAR TOGETHER

♥♥ February 17-28 ♥♥

From the PrincipALS

A friendly reminder that this communication is now twice a month. Here's the schedule for second semester: **March 3, 17, 31** **April 14, 28** **May 5, 12**

Spread the Love profit: \$1,546

A HUGE thank you to Simply Decadent for their generous donation of 600 cookies. In addition, thank you to PTO for the donation of the juice for the beverage. We had many staff members volunteer their evening to make this wonderful event happen for our students and family members.

The entire profit will go toward the SOAR Shop purchases. The SOAR Shop continues to motivate most of our students.

2025-2026 Planning Ahead

As we prepare for Kindergarten registration in March 2025, we want to remind you that our district K-5 does not accommodate specific teacher requests for students. This has been in place for several years and is based on the need to prioritize students' educational needs, accommodate staff changes, and ensure balanced classroom enrollments.

We understand that choosing the right teacher is an important decision, and we appreciate your trust in our school district. Our administrative team works diligently to ensure that all students are placed in classrooms that support their learning and growth. We thank you for your understanding and cooperation.

It's Your Choice, Make it a Good One!
