We know your child may want to vote for more than one door. Have your child pick their top 3 doors and come with a set amount for donation. Example, two doors get \$1 and their favorite door gets \$2! Or, maybe one door gets \$1, another door gets \$5, and your favorite door gets \$10. You can do as much or as little as you want, maybe you just want to vote for one door, that is okay too! There will be an activity table. There will be FREE punch and cookies in the cafeteria as well as popcorn to be purchased for \$1.00. Come & join us!

It's Your Choice, make it a Good One!
