## HIGH SCHOOL HEADLINES

### BHS NAMES VALEDICTORIAN AND SALUTATORIAN

Bellbrook High School is pleased to announce its Valedictorian and Salutatorian for the Class of 2024. Congratulations to Lincoln Warren, Valedictorian for the Class of 2024, and our Salutatorian Justin Paul.

Lincoln is the son of Mark and Heather Warren. He plans to attend the University of Cincinnati where he will study Computer Science. At BHS, Lincoln has participated in many activities including Track and Field, Academic Team, peer tutoring, and National Honor Society.

Justin, the son of Todd and Teresa Paul, has chosen to study Computer Science in college. Justin has been active in Cross Country, Track and Field, Eagle Excellence, peer tutoring, Academic Team, and National Honor Society at BHS.

Starting with the graduating class of 2024, the student with the highest cumulative weighted GPA was named Valedictorian, while the student with the second highest cumulative weighted GPA was named Salutatorian. To be considered for these honors, students must qualify for the Bellbrook High School Advanced Diploma and have attended the school during their fifth through eighth semesters.

The entire Bellbrook High School community congratulates Lincoln and Justin on their outstanding accomplishments and wishes them continued success in all their future endeavors.

## DO THE RIGHT THING

### Choices Define Your Destiny and Shape Our Culture

Making good choices is crucial for success. It's about doing the right thing, even when it's tough. This means taking responsibility for our actions and solving problems instead of creating them. We can't control what happens to us, but we can control how we respond.

Before making a decision, it's important to pause and think about the best course of action. Success comes from making thoughtful choices. Whether it's choosing to work hard, stay positive, or go the extra mile, every choice we make contributes to our success.

By consistently making good choices, we improve our results and positively impact our community. Commit to making the right choices, achieving your goals, and making a positive difference!

## DRONES IN SCHOOL

### BHS Drones in School Teams Claim State Championship Title with Impressive Wins Across Multiple Categories

Bellbrook drone teams dominate with 1st, 2nd, and 3rd place finishes in head-to-head racing and the Hog Flyers soared to victory in multiple categories at the Ohio Education Technology Conference! Full Throttle claimed the flag in Capture the Flag. Overall standings: Hog Flyers 1st, Full Throttle 2nd, Speed Demonz 4th. All three teams will travel to California to compete for the national championship.

# CLASSROOM AND DEPARTMENTAL NEWS

## DISCOVER THE BHS SOCIAL STUDIES DEPARTMENT

At Bellbrook High School, we pride ourselves on offering diverse social studies courses that cater to a wide range of interests and academic goals. Our Social Studies Department is dedicated to providing students with engaging and enriching opportunities for learning about the complexities of human society, both past and present. Here's a glimpse of the exciting courses we offer:

**World History**      **American History**      **AP US History**      **American Government**      **AP Government**  
**Sociology**      **Psychology**      **Rock & Roll in American History**      **Global Issues**

### Advanced Placement:

As we approach the end of the academic year, our Advanced Placement (AP) students are gearing up for their national exams. Here are some important updates:

**AP Government:** Our AP Government students have been diligently preparing for the national exam scheduled for Monday, May 6th. We wish them the best of luck as they showcase their understanding of the American political system and civic engagement.

**AP US History:** Similarly, our AP US History students are diligently preparing for their national exam, which will take place on Friday, May 10th. We have full confidence in their

ability to demonstrate their knowledge of American history.

**New Course Offering - AP Psychology:** We're thrilled to announce the addition of AP Psychology to our course offerings, beginning in the 2024-2025 school year. This exciting new class will provide students with the opportunity to explore human behavior and mental processes at an advanced level.

### End of Course Exams (EOC) Updates:

In addition to AP exams, our students will prepare for the state-mandated End of Course (EOC) assessments.

Here are the details:

Students enrolled in American Studies and Government courses will be taking the state EOC exams on April 24th - 25th. We encourage all students to approach these assessments with confidence and diligence, showcasing the knowledge and skills they've acquired throughout the year.

### Model UN Updates:

Our Model United Nations (UN) students have been actively engaged in various conferences, representing Bellbrook High School with distinction. Here are the highlights:

Our Model UN students had the opportunity to participate in conferences hosted by the University of Dayton in November, Miami University in March, and Wright State University in April. These experiences have allowed our students to engage in diplomatic simulations, hone their negotiation skills, and deepen their understanding of global issues.

## STUDENTS EMBARK ON ARTISTIC ADVENTURE AT FRONT STREET!

Art enthusiasts at Bellbrook High School recently embarked on a captivating journey into the realm of abstract art, led by none other than the esteemed local artist, Mike Elsass. Students from Art 3 and Art 4 had the unique opportunity to visit Elsass's art studio located at Front Street and immerse themselves in the vibrant world of contemporary abstract expressionism. Elsass, recognized internationally for his work, graciously opened his doors to our students, offering them a firsthand experience of his creative process and the opportunity to paint alongside the artist, infusing their own distinctive styles into their creations.

At the heart of Elsass's artistic creations lies his signature technique of crafting abstract art on weathered and rusted steel. His works are characterized by rich textures and captivating color combinations, drawing inspiration from the interplay between natural elements and industrial decay. The students were captivated by Elsass's innovative approach, witnessing firsthand how he transforms raw materials into evocative pieces of art.

The impact of Elsass's art extends far beyond the confines of his studio, with several of his works already gracing the halls of Bellbrook High School. You can also find Mike's work at the Mall at Fairfield Commons where he has opened a small studio space. Plans are underway to add additional pieces at BHS, culminating in a community-wide opening event to celebrate the intersection of art and education.

**Congratulations to the new members of the BHS chapter of the National Honor Society!**

## CLASSROOM AND DEPARTMENTAL NEWS

### SPRING INTO ACTION: HEALTH AND PE CLASSES DIVE INTO NEW TOPICS AND ACTIVITIES

The Health and PE Department is excited to be back in school after Spring Break!

In the **Health** classes, Mrs. Rose and Mr. Jenkins are currently covering the topics of Alcohol and Illegal drugs.

Students use health skills in varying contexts and with multiple topics. Skill areas that are incorporated in the Health classes include how to access valid information, use effective communication skills to enhance health, identify healthy decision-making skills, how to advocate for one's health, and adopting behaviors to contribute to positive health and reducing behaviors that are health risks. The Health classes will be getting certified on April 29 for Adult CPR/AED!

#### PE classes:

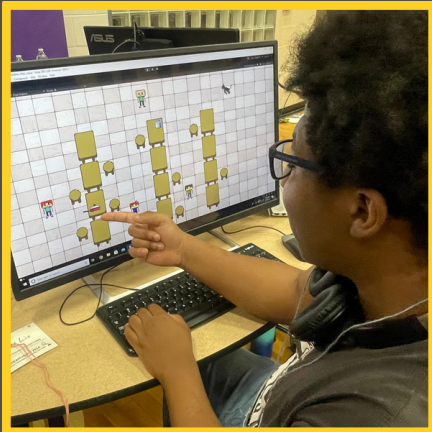

Mind and Body Wellness class participates daily in Yoga/Meditation. The Weightlifting classes continue to complete daily workouts in the weightroom. PE 2 just wrapped up the Volleyball unit and is now playing Lacrosse.

The PE classes will soon be participating in the Fitnessgram Fitness testing (for flexibility, muscular strength & endurance, and cardiovascular endurance) as they continue completing the Ohio Physical Education Standard Assessments.

**Leadership** continues to develop effective leadership traits. The class learns strategies, traits, habits, routines, and commonalities from highly effective leaders through readings, group activities/discussions, and presentations.

### COMPUTER SCIENCE CLASSES GEAR UP FOR AP EXAMS AND FINAL PROJECTS

The end of the year is approaching so the Computer Science classes are wrapping up new information and are beginning to prepare for AP Exams and Final Projects. The Intro to Java Programming classes will be beginning their final unit (Classes and Objects). This unit includes projects that involve programming a virtual "turtle" object that can draw images to the screen. The Game Development class is currently using Python to edit pictures taken in front of a green screen. Both of these classes will end the semester with a capstone-style project that will count as a significant part of their final exam.

The AP Computer Science Principles class recently submitted their "Create Performance Task" projects to the AP Portfolio site. These projects will count as 30% of their AP Exam grades. The class is currently completing their final unit (Data Analytics) and will soon begin a major Data Analysis project. The AP

Computer Science A class completed a unit on recursive algorithms before Spring Break and has most recently been exploring the topic of inheritance between super and sub classes. Both AP classes are beginning to prepare for AP Exams which will take place during the 1st and 2nd weeks of May.

The Advanced Game Development group recently completed a project that required them to "modernize" a vintage arcade game from the 1980s. They produced outstanding 3D versions of Frogger and Dig Dug. They have started their final project (a 2D puzzle-themed game) which is scheduled to be presented to a mystery panel during Senior Exams.

# MUSIC DEPARTMENT NOTES

## High Notes and Standing Ovations: BHS Music Department's Spring Brilliance!

The Music Department at BHS has had a very busy but successful spring! The concert choir, symphony band, jazz band, and wind ensemble all had their annual March concerts at school, and the wind ensemble and symphony band also traveled to Mason High School to perform at the Music for All Cincinnati Regional Concert Band Festival. The high school and middle school groups are all currently preparing for their end-of-the-year concerts!

- Monday, May 6            Middle School Band concert, 7pm
- Tuesday, May 7        High School Band concert and awards, 7pm
- Wednesday, May 8     Middle School and High School Choir concert, 7pm
- Monday, May 13        6th grade choir concert
- Thursday, May 16      6th grade band concert
- Wednesday, May 22    High School Jazz Band concert, 7pm

The pit orchestra has been working hard to learn the music for The Little Mermaid, to be presented by the BHS Theater Department May 2-4. Please come out and support the cast and the pit orchestra at their spring production!

The Indoor Percussion Ensemble has had a great season with their winter show Shadows in the Sand, earning many local and regional placements in WGI and also MEPA. The group is presently preparing for their WGI prelims performance on April 18. Good luck to the ensemble!

The BHS Winter Guard has once again set a school record! After a very successful winter season in both WGI and MEPA competition, the guard performed their show Fellow Traveler in WGI world championships in April, earning a spot in World Class semi-finals AND finals. The group finished in 11th place in the country in World Class, which is the highest classification for a high school group in WGI, thereby setting a new school record - highest placement ever! Congratulations to the students and their staff on a beautiful show and a great season!

# ABOVE AND BEYOND

BHS students that perform actions and or behaviors that go “above and beyond “ expectations may be given an “ABOVE and BEYOND “card by BHS staff. Students can scratch off the card revealing if they win a prize. Winning cards can be redeemed in the office. Non-winning cards can be turned into the office and entered into a monthly “second-chance” drawing for a prize. Many local businesses and our PTO have donated gift cards and merchandise to be used as rewards for our students. If you, or your business, would like to donate gift cards or merchandise to this program please contact Mr. Hann at david.hann@bss.k12.oh.us.
