- **Looking for substitute teachers and assistants for preschool**

- If you or someone you know is interested in being a substitute teacher or substitute assistant at our preschool, please contact Kimi Kessling at the Greene County ESC at KKesling@greeneesc.org
- **NO degree is required to sub at this time!!**
- This is especially important as the cold and flu season starts. When our staff needs to be out due to illness of themselves or their children, it leaves us short-staffed and out of ratio, thus affecting our students. Subs have been VERY hard to find the past couple of years so we greatly appreciate any assistance that can be provided so that we can keep your kids safe.
- Great part-time and flexible job for stay-at-home parents who might only be available when the kids are in school and want to earn some extra money while having lots of fun. Think of it as getting paid to volunteer at your child's school.
- **We pay \$120 per day for teacher subs and \$90 per day for aide subs and you can work only half days if needed.**
- Our staff is very helpful and will provide support in the classrooms while you are here. If you are hesitant, ask your child's teacher and they can tell you more about it.
