Chronic Absenteeism Indicator Technical Documentation

IMPORTANT INFORMATION:

Chronic Absenteeism does not factor into the Gap Closing rating for the 2021-2022 school year per state law. Schools and districts will be evaluated on chronic absenteeism starting the 2022-2023 school year.

The Chronic Absenteeism Indicator can be met in 3 ways. 1) Meet the current year chronic absenteeism goal. 2) Reduce chronic absenteeism by 1.1 percentage points from one year to the next. 3) Reduce chronic absenteeism by at least 3% from one year to the next.

Chronic Absenteeism rates are only calculated when there are at least 10 students in the denominator. Rates based on fewer than 10 students are displayed as 0%.

Gifted Identification and Services

Select a School Year:

2021-2022

For the 2021-2022 school year, districts with at least 15 unique students in the Gifted Performance Index calculation will meet the performance benchmark if the district has at least ninety-five per cent of the possible performance index score using the gifted district level maximum score.

Gifted Indicator Technical Documentation

Gifted Value Added Met

NC

Gifted Value Added Grade

NR

Gifted Identification and Services Met

No

A district will meet the gifted progress element if the district would receive a three-star, four-star, or five-star rating for the progress component based solely on students identified as gifted. In making this calculation, the department will use the methodology adopted by the state board of education for assigning a rating for the progress component.
