BELL CREEK INTERMEDIATE

## CEREAL DONATION

Dear BCI Families,

Thank you so much to all those who donated cereal boxes to BCI in November. You helped us beat last year's total and help so many Bellbrook area families in the months to come! The grand total of 1,521 boxes of cereal was donated to the Bellbrook Sugarcreek Community Support Center. A special recognition went to Mrs. Orth's class with the winning homeroom total of 171 boxes that earned Mrs. Orth the turkey costume for the afternoon. We are thrilled to be a part of this annual tradition as it grows, and this year we were extra thankful to have enough boxes to end the domino run in the BCI gym.

Thank you!  
Mrs. Sasha Taylor

Go to Bell Creek Intermediate home page on school website and click on the yearbook tab or go to [yearbookforever.com](http://yearbookforever.com), then search Bell Creek Intermediate (Grades 3-5)

## FOCUS 3 - DO THE RIGHT THING

### DECEMBER

At BCI we emphasize the importance of making good choices and acting with integrity. This means doing what's right, even when it's difficult, and following through on our commitments. Trust is earned through consistent, honest actions, and we encourage open and respectful communication. Hard work, resilience, and a willingness to overcome challenges are key to achieving meaningful success. By modeling these values, we show our students the importance of responsibility and perseverance in building a strong community. We also teach students to take ownership of their actions and decisions, understanding that every choice impacts those around them. Using the principle  $E+R=O$  (Events + Response = Outcome), we guide students to respond thoughtfully to challenges and focus on solutions instead of blame or negativity. By encouraging goal-setting and intentional choices, we foster a positive learning environment where everyone can thrive. Together, we are committed to building a culture of excellence and integrity.
