- **Important Information Regarding Returning Preschool Students**

- Returning preschool students do not have to re-enroll, they will roll up at the end of the school year to another year of preschool.
- You will need to **update Final Forms when prompted** to do so by the district at the end of the school year. All forms should be green.
- [File of Hard Copy Forms for Parents](#)
(These have been updated for 2023-2024.)
- You will also need to **fill out form #2 and #5** in the above packet of **hard-copy forms** for preschool. **Form #2**, the medical form, must be current for the entire school year. If you have a yearly appointment this summer, please take it with you. **Form #5** is a required Poverty Form. You do not have to complete the other forms unless you did not complete them this school year. It is ideal to get these into the office asap, but they must be returned by the first day of school which is Monday, Aug 21, 2023. There is a purple basket in the building lobby where you can leave completed forms all summer or bring them to Open House.
- **A calendar for the school year and the PS handbook are also in the file.**
- **Open House** for next school year will be Thursday, August 17. There will likely be an AM 10:00 session and a PM 1:00 session. Details to come with class placements. New and returning students are welcome at Open House.
- Please remember your requests that were made on the Intentions form in January for AM/PM and teachers are not guaranteed. We will try to get that information out as early as possible, but it will be at least by the beginning of August in an email from Final Forms.

- **Questions? Concerns? Comments?**
