### PURSUE EXCELLENCE

We hold high standards.  
We focus on growth.  
We relentlessly pursue excellence.

During our November morning meetings and live announcements, we will discuss high standards and how we continue to focus on student growth.

### SOAR SHOP

We hope your child talked about the SOAR Shop again. Focusing on the positives and ways to motivate our students is needed. Earning those golden tickets to purchase their wants has meaning. We always need help with more items, please consider donating - [Click here!](#)
