Veterans Day Celebration 2022

another huge success and enjoyed by all!

Bell Creek honored our local veterans as well as active duty service men and women at our annual Veterans Day Celebration this past Thursday since Friday was a non-school day. Guests and families enjoyed light refreshments and social time in our cafeteria until the event kicked off around 9:50 with a parade through the building, followed by an assembly

in the gymnasium. The assembly included choral singing of *God Bless America!*, presentations by our BHS JROTC cadets, a performance by our own fifth grade choir under the direction of BCI Music Teacher, Mrs. Julie Wellbaum, and recognition of our guests and their respective branches of the armed forces. Honored guests, families, and students had their pictures taken with an American flag mural created by students' hands cut out of red, white, and blue construction paper and

received a to-go breakfast in sacks that were hand-decorated by our students. Special thanks to Mr. Anderson (5th grade Math & Social Studies teacher), his colleagues, the BHS JROTC and Col. Ganagaware, Sodexo, Kosins Party Rentals, the Bellbrook Sugarcreek Education Foundation (BSEF), and all of those who made this special day possible. Check out footage from our event [here](#).
