

### **Better TODAY than YESTERDAY**

## GRAND LAND

Dear Families,

#### Our Stephen Bell Eagle FUN RUN event was AMAZING!

We are the first school to bring this fundraiser to Bellbrook and we learned so much. On Wednesday, May 24, twelve students (announced soon) will get the chance to "Silly String" Mrs. Keeton while we have our "Popsicles on the Playground" - Tier 1 & Tier 3 Goals met from the FUN RUN.

Our pledges came from 36 states and 5 countries (USA, Mexico, New Zealand & Puerto Rico). So far, we have raised **\$21,518** in pledges/donations. Our TOP five classes in collecting pledges are:

- #1. Mrs. Metzler's class 2nd grade
- #2. Mrs. Rose's class 2nd grade
- #3. Mrs. Huff's class Kindergarten
- #4. Mrs. Barker's class 2nd grade
- #5. Mrs. O'Cull's class 2nd grade

We will utilize these funds for two years for our PBIS program and field trips. Our next FUN RUN will be 2024-2025. Don't forget that final donations may still take place until 5-24-23.

# <u>2<sup>nd</sup> Grade</u>

Students in the Digital Design and Development class created an activity book highlighting each of the programs offered at the Greene County Career Centers. This is something students can use when they have free time in class, or as the teacher desires. There is a letter on the first page with some information about the book and the Career Center. Students can enjoy these pages during the summer months too.
