A Note From Your Administration

Our Wildcat Walk takes place on May 14. It will be different this year because of Covid 19. We will not have laps because we will not have volunteers or visitors to count laps. We will have an online link to donate with PayPal or credit cards on our school website, so there is less money handling; however, envelopes are going home today to collect donations if people can't or don't wish to donate online. You should also note online donations in the online column so we know to look for them. Our school goal is \$40,000. We have incentives for students and our whole school on the next page to help us raise funds. Our top class per grade level gets a popcorn/soft drink party. Our top class in the school gets an ice cream party. Any class that raises \$600 or more gets to attend a double recess. Any grade level that raises \$6000 or more gets a field trip ticket for all students IN THEIR GRADE LEVEL.
