## Reaching the Top on the First Try!

The members of SFHS Unified Esports Team Mario Kart Green, in their inaugural season, are now the PlayVS Spring 2025 Unified Esports Champions! The team is part of an after-school gaming league, comprising students from Freeport Area, Fox Chapel Area, Pittsburgh Public Schools, and Beaver Area school districts. The league is the first of its kind in Pennsylvania and only the second region in the nation to offer unified robotics. Throughout the season, South Fayette competed against teams from across the country

*Miguel Persechetti, Nathan Snyder, Cole Chichester, Cameron Diehl*

and defeated Limestone High School in Peoria, Illinois for the championship. Congratulations on this amazing accomplishment!

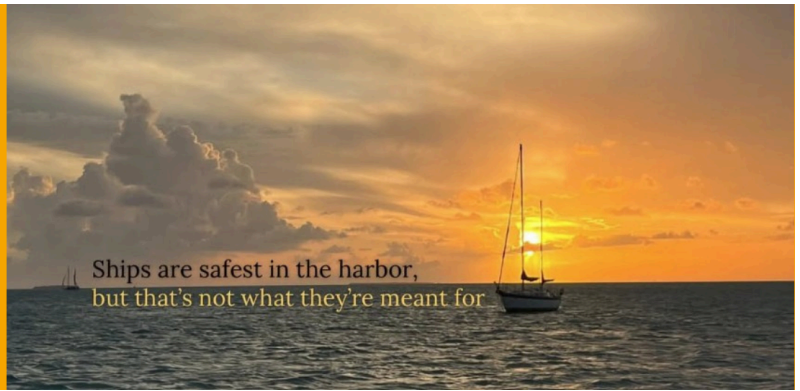

If you didn't get a chance to read the recent article in the *Tribune-Review* about the region's first Unified Esports League, including an interview with Dr. Maurer, [click here](#). *The Weekly Green Scene* also shared an article at the start of the season in the [March 7 issue](#).

## Be a part of something HUGE!

Junior Lilly Green and Dr. Herring are conducting a real-time social experiment with the goal of growing an Instagram account from 0 to 10,000 followers in 6 weeks!

It's not just about followers; It's about impact. Posts feature Lilly's stunning photos with thought-provoking quotes, captions, & messaging.
