## Special Guest Speaker at HS Also Hosting Evening Session for Parents

On Monday, May 13, the High School welcomes motivational speaker and Internet safety expert [Alicia "Kozak" Kozakiewicz](#) to share her first-hand experience of internet luring and abduction when she was a teen growing up in Pittsburgh. She will also explain the possible seriousness and ramifications when it comes to sharing personal information on social media or engaging in conversations with unknown individuals.

She will speak with the High School students during the school day followed by a **FREE session open to the community at 7 pm in the High School Theatre**. We anticipate the evening session to be informative and hope that it acts as a catalyst to further important conversations between our children and their trusted adults. All are welcome, though parental discretion should be considered with younger audiences. Feel free to invite family and friends from outside of the district as well. Registration is not required.

## Vote for Owen Makar for Athlete of the Week

Each week of the school year, MaxPreps narrows down the selection of the best individual athletic performances in PA and then opens it up to the public to vote for the Pennsylvania Athlete of the Week. Each winner receives a digital award patch for their MaxPreps player page.

You may vote for your favorite athlete **as many times as you want**. Last week over 200,000 votes were cast! So far this school year over 8.6 million votes have been cast. Voting ceases at noon on Mondays, and the winners are announced the next day along with the next week's nominees.

For Week 36, South Fayette has a nominee, so let's all get out there and vote for...

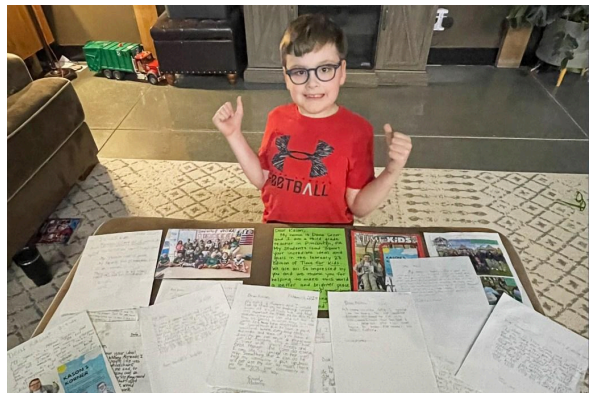

**Owen Makar**, South Fayette (McDonald) Boys Lacrosse

Owen is a senior who scored 20 points (16 goals and four assists) in wins over Chartiers Valley, Greater Latrobe, and Seneca Valley. He has 168 career goals and 68 assists.

Please be sure to [click here and vote](#) for Owen as many times as possible between now and Noon on Monday, May 13. Thank you!

## Third Graders Inspired by Kindness

Earlier this year, Mrs. Greer's third graders read a story in the February issue of *Time for Kids* magazine about a boy named Kason Creed who had worked to make his local playground more inclusive for children with physical limitations. The class was inspired by Kason's story and chose to put their friendly letter writing skills into practice by writing letters of thanks and praise to Kason.

Imagine their surprise when the April magazine issue showed a picture of Kason surrounded by their letters and a photo of their class! The caption in the magazine read, "Here's Kason (above) surrounded by mail from a third-grade class in Pennsylvania. 'He was beside himself when he was reading all these,' Kason's grandmother Pam told TIME for Kids." To see more, [click here](#).

Mrs. Greer shared that it was wonderful for her class "to actually see the joy on Kason's face that a simple act of kindness could provide, and for him to know that he is making an impact on others, near and far." Great job, Lions!
