## SF Esports Expands to Include a Unified Team

Esports is growing at South Fayette! In addition to teams in the Middle and High schools, the district recently began competing in a Unified Esports league.

The Fox Chapel Area School District was awarded a \$35,000 Moonshot Grant from The Grable Foundation and the Claude Worthington Benedum Foundation, as well as an additional grant from PlayVRS for equipment and gaming codes. They invited South Fayette, along with Pittsburgh Public, Freeport Area, and Beaver Area school districts to team with them on an after-school Unified Esports league. The league is the first of its kind in

Pennsylvania, and only the second one in the nation. Participants in grades 6 - 12 compete in Mario Kart and Super Smash Bros.

Describing the Unified Esports league, Dr. Megan Collett, the executive director of instructional and innovative leadership in the Fox Chapel Area School District, said that it emphasizes that “all students, regardless of ability or neurodiversity, bring unique skills to the table – or in this case, to the screen. It moves beyond ‘inclusion’ to ‘equity,’ where all participants are equally valued and contribute to the team’s success.”

She added, “Rather than utilizing conventional means, it uses gaming technology to foster teamwork, problem-solving, and empathy in a way that feels relevant and exciting to today’s learners. It also disrupts conventional approaches by integrating students from diverse geographic, socioeconomic, and ability backgrounds, ensuring that every student has access to the same opportunities and tools.”

South Fayette’s two Unified Esports teams kicked off their season on Wednesday playing Mario Kart online against teams from East Noble HS in Indiana and Plano HS in Illinois.

## Senior Sparks National Spotlight

Senior **Nandana Menon** was recognized on a national level this week when she won the SXSW EDU Student Impact Challenge after pitching her app called Spark at their event in Austin, TX.

As described on the [SXSWEDU.com website](https://www.sxswedu.com), “Spark is a highly developed prototype that provides comprehensive resources and engaging activities for children with autism while equipping caregivers and [therapists] with collaborative monitoring and configuration tools. The application embraces the unique needs of children on the spectrum, offering a safe and enriching environment for growth and development, advancing them at the appropriate pace, while providing key data to caregivers.

“The Student Impact Challenge celebrates what youth leaders are doing to improve facets of society through projects and solutions they develop to address social, economic, and environmental issues. It also provides high school students who are making an impact in their

community with an opportunity to share their talents, validate and refine their ideas, and gain experience.”

Nandana competed against five finalists from Nigeria, Brazil, and Canada as well as Virginia and Washington. She launched her app last fall and also runs a non-profit called Autism Unity Initiative (AUI), which provides vital resources and support for individuals diagnosed with autism, as well as their caregivers.

## Student and Staff Shout Outs

★ **Spring sports** are kicking off with several scrimmages this weekend. Good luck to all of our athletes and coaches on a fantastic season!

★ Congratulations to four students, **Andrew Carson, Rohith Galla, Dhruv Kithany,** and **Srishti Swaminathan** who all learned this week that they have moved on to be Finalists in the 2025 National Merit Scholarship Competition. They now have the opportunity to be selected for a \$2,500 merit scholarship.

★ Wishing the best of luck to junior **Ella Trahan** who is at the Girls' PIAA Individual State Wrestling Championship in Hershey right now! She wrestles as part of a co-op with Ft. Cherry High School and finished third in her weight class last weekend at the PIAA West Regional Tournament.

★ Also wishing all the best to senior **Talan Mizenko** who is in Hershey right now competing in the Boys' PIAA Individual State Wrestling Championships! He also finished third in his weight class last weekend at the PIAA West Regional Tournament.

★ Congratulations to our youth wrestlers who competed last weekend in the Keystone Southwest Regional Youth Qualifier Wrestling Tournament and are now eligible for the State Championships! In their respective age groups and weight classes, 4th grader **Cael Dennison** finished 2nd; 3rd grader **Rhea Karas** took 1st; 3rd grader **Noah McPherson** finished 4th; 2nd grader **Willow Powell** finished 2nd; and 3rd grader **Parker Stumph** took 3rd! Great job everyone!

★ In addition to the sixth graders (mentioned in last week's issue) who represented SFMS at the PMEA Elementary String Fest last Friday, we are also very proud of the fifth graders who attended from SFIS: **Zoe Chen, Miles Cheng, Xavier Huber, and Anna Lee.**

★ Way to go to our **Varsity Hockey Team** who defeated Mt. Lebanon 6-1 on Monday in the PIHL Class 3-A Penguins Cup Quarterfinal Round Playoff Game! They had 6 goals on their first 19 shots, and **Jackson Ankrum** made 29 saves in net before the Blue Devils put one on the board with 2:27 left in the game. Next they head to the RMU Island Sports Center on Monday, March 10 to take on North Allegheny in the Semifinals at 9:15pm.

★ At the WPIAL Swimming Championships last weekend, our Boys Team finished 7th overall and the Girls Team came in 17th. **Josh Grimenstein** set new school records with a 2nd place finish in the 100m Backstroke at 51.37 seconds and an 8th place finish in the 100m Fly with a time of 52.76 seconds. Other Top 10 finishers included **DJ Poe** who took 7th in the 500m Freestyle and 9th in the 200m Free and **Grant Logan** who finished 10th in the 100m Backstroke. Additionally, the 200m Medley Relay Team (**Dan Grimenstein, Josh Grimenstein, Grant Logan, Alex Lou**) came in 7th and the 400m Free Relay Team (**Josh Grimenstein, Grant Logan, Alex Lou, DJ Poe**) finished 8th. Great job everyone!

★ Congrats to the following swimmers who are now qualified for States! **Josh Grimenstein** in the 100m Backstroke and 100m Fly and **DJ Poe** in the 200m and 500m Freestyle. The teams for the 200m Medley and 400m Free Relay are also PIAA qualifiers and include **Dan Grimenstein, Josh Grimenstein, Grant Logan, Alex Lou, and DJ Poe**.

★ Very proud of our Lion runners who set new school records at the PTFCA (PA Track & Field Coaches Association) Indoor State Championships last weekend! The Relay Team of **Siya Joshi, Emily Sinton, Maddie Stock, and Angela Zeng** took 2nd place in the 4x800m with a time of 9 minutes and 21.31 seconds, and they finished 6th in the Distance Medley Relay with a record-setting time of 12 minutes and 29.29 seconds.. **Delaney Schumaker's** record was with a 4th place finish in the 60m Hurdles at 8.96 seconds. Fantastic!

★ While the Championship game didn't turn out the way we'd hoped, we're still incredibly proud of our **Girls Varsity Basketball Team** for finishing second in the WPIAL! Now they are competing for the state title! The first game is at home versus Lower Dauphin tomorrow at 2 pm. All tickets must be purchased online as they will not be sold at the gate.

★ Woot! Woot! The **Girls 8th Grade Volleyball Team** is having a great season! They're currently undefeated with a 9 - 0 record. Most recently they beat Hopewell 2 - 0. Good luck as they take on Avonworth this afternoon!

★ Cheers for 8th grader **Rocco Matusic** who received the Joan Jarrett Student Award through the Pennsylvania Association for Middle Level Education (PAMLE). The award honors outstanding young adolescents who are in the "middle" and who generally don't receive recognition. To be eligible, Rocco needed to demonstrate leadership abilities, good citizenship, and that he's made positive contributions to his school and community. A \$50 donation will be made in his name to the charity of his choice.

★ Congratulations to Students of the Month for February who were selected based on the theme of Classroom Contributor: Freshmen: **Riley McAllister** and **Owen Trahan**; Sophomores: **Will Chipps** and **Griffin Martin**; Juniors: **Tyler Ring** and **Charlotte Beck** (not photographed); Seniors: **Ami Wolstoncroft** and **Maryam Khan**.

★ This week's Lion Card raffle winners at the IS from each grade who have been proudly making safe, kind, and responsible choices are: 3rd Grade: **Elijah Lowe** and **Michael Oravec**; 4th Grade: **Layla Srikanth** and **Shreshta Vulupala**; 5th Grade: **Reese Bilodeau** and **Ethan Cain**. Congratulations and great job!

★ Congratulations to the Lion Pride winners at the ES for the PBIS Program for last week: Kindergarten: **Jesus Isaïd Aguirre Canales, Claire Populo, Yusuf Raja, and Palmer Smith**; 1st Grade: **Tanisha Bhatt, Charlotte Black, Shruthi Raja, and Alisa Shurupova**; 2nd Grade: **Brynley Cain, Vansh Jagani, Omer Tuncer, and Zara Zarisky**. These Super Lions showed that they are Safe, Kind, and Responsible and will be entered into the ES monthly drawing for the chance at a class or individual reward of their choice.

★ Shout out to **Ms. Beck** and **Mr. West** at the Middle School who received the Lincoln Investment Promising Practitioners Award through the Pennsylvania Association for Middle Level Education (PAMLE). This award is presented to teachers who have been teaching in middle school for 1-3 years and have made a positive impact on both their school and community. They needed to demonstrate that they seek professional development opportunities, implement new ideas, and meet the needs of individual students, using effective middle level practices.

★ Also proud to share that SFMS student teachers **Kristen Hansen, Breanna Snyder, and Shane Wigton** received Learning to Teach & Teaching to Learn: Student Teacher Recognition through the Pennsylvania Association for Middle Level Education (PAMLE). This recognition is presented to outstanding student teachers or interns who have student-taught in a middle school and have demonstrated a commitment to middle level teaching, an awareness of young adolescent development, and made a positive contribution to their school.
