## Last Stop on the Road to the State Championship!

The Girls Varsity Basketball Team as they prepared to leave for Hershey, PA, today to compete in the PIAA Class 5A Championship game tomorrow at 6 pm at the Giant Center.

## Annual Celebration of Excellence

At last evening's Celebration of Excellence, our Lion Learners and Educators showcased amazing examples of their learning from throughout the year for families and friends to see. High School and Elementary School sessions ran 5 - 7 pm and the Middle and Intermediate schools welcomed guests between 6 and 8 pm. There was plenty of Lion Pride and excitement all throughout campus. Many thanks to everyone who participated and attended.

## Welcoming the League of Innovative Schools

As a long-standing member of the [League of Innovative Schools](#), which seeks to connect “the most forward-thinking leaders of the nation’s school districts, South Fayette was honored to host more than 100 administrators on Tuesday morning. These leaders toured the High and Intermediate schools in order to learn more about the programs and initiatives that help South Fayette stand out for innovation in education. Our students guided the tours and spoke about Cybersecurity, the Cavern, Esports, Fly Like A Girl Drone Academy, Arts Alive, the Freight Farm, and more, along with innovative courses like Introduction to Web 3 and Forensic Science. Faculty and staff were also involved in the tour presentations, as well as via their continuous preparation of our students and spaces for occasions such as this. Our Little Green Machine, cheerleaders, and numerous students of

all ages combined for an impressive welcome as the day's guests exited the buses they used to travel from Station Square.

SF students also participated musically during the League's visit to Pittsburgh as part of featured performances that included orchestra, choir, and jazz bands composed of students from each of the Pittsburgh-area districts featured in this year's event.

One particularly stand-out moment was when Dr. P. Erik Gunderson, Superintendent of the Suffern Central School District in New York, recalled the amazing impression he had of two first graders when he last visited South Fayette ten years ago. Those young ladies, **Samantha Boyko** and **Katherine Leya**, are now juniors and took the time to reunite with our district guest, making an even more lasting impression for Dr. Gunderson.

After the visit, **Dr. Miller** received feedback from League colleagues who were impressed by the incredible opportunities our students have and, more importantly, by our Lion Learners themselves, particularly for their ability to communicate professionally, confidently, and authentically.

This was a fantastic opportunity to showcase, on a national scale, the work throughout our district that is truly future-focused, student-centered, and innovation-driven.
