Enhance Your SF Education Experience with Cricket Clinic

As showcased in a [recent article](#) by [Kidsburgh.org](https://kidsburgh.org), the education community is seeing positive outcomes from greater parent involvement in their students' educational processes, and is, therefore, seeking more opportunities for this to happen. For the past few years, SFTSD has arranged and invited parents to multiple campus events allowing faculty, staff, and families to interact on a more informal basis. Events have included an escape room and painting project and Retro Recess, among others.

Coming up, SF's Parents as Allies group is hosting a unique opportunity to learn more about the sport of cricket, a bat-and-ball game that has become the second most popular sport in the world according to [Top End Sports](#) (Note, baseball is seventh and American Football is ninth). The SF Cricket Clinic is happening on the Middle School practice field on Tuesday, May 27, 5:30 - 8:30 pm. No experience is necessary for this FREE clinic, but you are asked to [register in advance](#).

Spirit of Youth Leadership and Service

The district is proud to share that, this week, 17 talented SF students were honored with the prestigious Presidential Volunteer Service Award in a special ceremony by Allegheny County Executive Sara G. Innamorato and Township Manager John M. Barrett. These remarkable, young changemakers have displayed an unwavering commitment to creating meaningful change through art and volunteerism and have left a lasting impact on our community.

Recognized for their outstanding efforts and spirit of youth leadership and service were:

- **Gold award:** **Aashi Manepalli** (Grade 6) and **Muhil Suresh** (Grade 8)
- **Silver award:** **Udhayasuriyan Duraisamy** (Grade 2), **Meghana Kolli** (Grade 7), **Ananya Rajesh** (Grade 6), **Reeva Singla** (Grade 6), **Aishani Soni** (Grade 8), **Laya Srikanth** (Grade 4), **Kavya Yuvaraj** (Grade 7), and **Oviya Yuvaraj** (Grade 7)
- **Bronze award:** **Ananya Arjun** (Grade 5), **Ana Paula Diaz-Bazan** (Grade 7), **Shreya Duraisamy** (Grade 12), **Anvi Gupta** (Grade 5), **Anirudh Rajesh** (Grade 6), **Viranica Siva** (Grade 1), and **Lakshmi Sragvi Udumula** (Grade 8)

SF Creates Partnership Thanks to League Membership and Grable Grant

Today is the 143rd day of the year and is designated as “143 Day” to honor the legacy of Fred Rogers by, “finding meaningful ways to show up for one another with love, kindness, and neighborliness.” Mr. Rogers is often remembered for using 1-4-3 to represent the number of letters in the words “I LOVE YOU.”

On this special day, the [League of Innovative Schools](#) (which visited SFTSD on March 25) has announced an inspiring partnership between the League and the Grable Foundation: Learning Neighbor Grants.

In the spirit of the neighborliness that defines the Pittsburgh area, the hometown of Mister Rogers, these Learning Neighbor Grants are connecting 11 League districts in the Western Pennsylvania area (including South Fayette!) with other League districts across the country to bring an innovative project to life through the power of collaborative learning.

League members observing an IS STEAM class during their visit on March 25.

Together, these 22 districts will partner on projects that address wide-ranging topics including inclusive robotics, student-run print labs, a “Science of Food” course, and more.

We are very excited to work with [Desert Sands Unified School District](#) in La Quinta, California! Learn more about the grants and the projects: <https://bit.ly/3FsLAWP>
