SFHS Recognized by State for Civic Engagement

The PA departments of State and Education announced this week that South Fayette is one of 36 high schools in the commonwealth to win a Governor's Civic Engagement Award (GCEA) for the 2023-24 school year. Like last year, South Fayette High School has received a silver award which goes to schools where 65% of eligible students are registered to vote.

Additionally, for the first time, a South Fayette student has received a Student Poll Worker Award for participating in a voter registration event at school and serving as a community poll worker on Election Day in November. Congratulations, **Alexa Ankrum!**

"With only months left before a pivotal election, it is more important than ever for young people to get ready to vote and to make their voices heard," said Secretary of Education Dr. Khalid N. Mumin. "This year's GCEA winners understand that democracy is not a spectator sport, and their hard work will have an impact not just in Pennsylvania – but across the nation."

A virtual awards ceremony will be livestreamed at 10 am May 29 on the Department of State's [Facebook](#) and [X](#) pages as well as pacast.com/live/dos.

Summer Programs at SF to STEAM Up and Chill Out

Summers are getting STEAM-y

Younger students have the opportunity for an unforgettable journey of exploration and creativity at the South Fayette School District's Summer STEAM Camps! Those entering grades 2 and 3 may participate in a dynamic program that promises hands-on learning adventures exploring bats, natural disasters, and more surprises! Intermediate students entering grades 4, 5, or 6 will delve into building carnival games, designing alternative energy vehicles, and launching rockets! With tuition set at \$100, these enriching experiences await from July 8 - 11. Be sure to sign up SOON! More details are available on the flyer on page 7 or click [HERE for Elementary STEAM Camp](#) registration or [HERE for Intermediate STEAM Camp](#) registration.

A Summer Chill by AHN

There's a new summer program being offered at SF this season! The AHN Chill Project Summer Program at the Middle School is designed to combine a fun and exciting curriculum with emotional wellness concepts for children entering grades 1 - 6. This 4-day program will be offered five times throughout the summer and each week will have a different theme (below). Don't wait to register as each week is limited to 50 participants.

"I am excited to get this new program up and running at South Fayette!" said Kristy Frohlinger, Summer Program Director and Behavioral Health School Educator at the Middle School. "It's the first of its kind in our area, and is a great opportunity for students to have fun in a day camp environment, while learning interpersonal skills and sportsmanship."

For a child-friendly, enriching experience this summer, look no farther. Additionally, local community members, such as the SF Library, Millie's Homemade Ice Cream, and the Drone Academy will be visiting! For more details and registration information, see the flyer on page 9 or [click here](#).

Middle Schoolers use free time to partner on worldwide STEM research

Jonathan and Mackenzie with their robotic projects.

Throughout the school year, a group of middle schoolers has been meeting weekly after school and three Saturdays per month under the name ABLE (Asset-Based Learning Environments). Working with **Mr. Mannarino** and **Mr. Wachter**, they meet online with peers from other schools across the country and the world to partner on unique multi-media, STEM-based research projects which they have the opportunity to showcase in Saturday morning Zoom sessions. The world-wide project is organized out of Pepperdine University.

On December 16, 2023, **Wrennon Huber, Mackenzie Lawrence,** and **Sahana Subramanian** presented their

projects as part of the Student Showcase for the international NSF. This past Saturday, May 18, **Saanvi Gutta, Aarib Kamal, Meghana Kolli, Jack Luo, Adalia Mathew, Arhant Mithipati, Jonathan Philip, Alayana Tandon, Saanvi Yerasi,** and **Mikhail Zachariah** presented their group research projects. Sahana, Wrennon, and Mackenzie presented again as well. Project topics included robotics, coding, pesticide alternatives, rocketry, and fingerprint patterns, and their partners were located in Louisiana, Nevada, California, Kenya, Ghana, Mexico, Brazil, and Canada.

“ABLE not only allows you to work and learn more about your project, but also allows you to interact with kids your age across the globe and learn more about their learning environment,” said Jonathan.

Can you be a substitute teacher at SF? Yes!

Great schools need great teachers. Whether you are thinking about a career in education, returning to the workforce, or just looking to give back, SmartSTART has employment opportunities for you at South Fayette Township School District. The SmartSTART program is for individuals with a bachelor’s degree in something other than education or educators not certified in Pennsylvania. You can become a substitute teacher and enjoy the benefits that can last a lifetime. **South Fayette Township School District will be holding a SmartSTART Orientation on June 17, 2024, in the Pride Room 9 am - 3 pm.**

If you are interested in attending, [click here for more information](#).

SOUTH FAYETTE YOUTH VOLLEYBALL CAMP

**JUNE 10, 11, 12 • 9 - 11:30 AM
MIDDLE SCHOOL GYM**

This camp is specifically designed to introduce and develop fundamental volleyball techniques and skills including passing, setting, hitting, serving, and game play. During each day a different aspect of athletic development will be discussed including flexibility and balance, strength training, movement skills, footwork, and jumping technique. This camp program is intended for all skill levels. No prior experience is necessary.

Coach Scott Sundgren is the head volleyball coach for both the high school and middle school teams. He has held this position for the past 25 years. In that time, the team has made 21 WPIAL playoff appearances, including seven final four matches, two finals, and six PIAA state playoff berths. He has coached all level of players from youth to Division 1.
