Lady Lions Make Basketball History

The **Lady Lions Basketball Team** made history last weekend by capturing the first PIAA championship for girls basketball! They defeated Archbishop Wood who has played in the state championship game 13 times since 2010, winning nine times including the past four consecutive years. The final score was 45-37, and the Lady Lions finished the season with a 29-2 record.

An impromptu pep rally was held at the high school on Sunday afternoon as the team returned from Hershey, PA, escorted by six local fire trucks. Many community and band members were on hand to welcome them, and they graciously showed off their trophy in the high school gym. Dr. Dirda, the coaches, and several players expressed their appreciation for the support they received throughout the season.

First Unified Robotics Tournament Hosted at SF

Diya, Madeleine, and Srushti with their Best Partner Team Award.

Today, South Fayette had the pleasure of welcoming teams from Beaver Area, Blackhawk, Elizabeth Forward, Mars Area, West Allegheny, and Western Beaver to our Middle School for our first time hosting a Unified Robotics Tournament. This was the third competition for our South Fayette teams.

Teams consisting of students with diverse abilities worked together throughout the day to build and present their robots, then participated in a culminating tournament in which the robots were programmed and controlled to pick up a ball and shoot a basket. A variety of awards were given out, and the South Fayette team consisting of **Madeleine Peden, Srushti Ramaprasad, and Diya Thirumurugan** earned the Best Partner Team Award. Awards were also given for performance, inclusivity, contribution, collaboration, creativity, and community outreach.

At South Fayette, we regularly seek opportunities for our neurodiverse and neurotypical students to collaborate. The district offers a Best Buddies program, Partners in Art and Partners in PE courses, Unified Bocce, an annual Mardi Gras dance, and other opportunities through the Special Olympics such as the Polar Plunge. Adding Unified Robotics to the district's offerings this year has been an exciting way to involve more students and build upon our innovative, STEM-focused curriculum.

SFHS Students Are Wise in Personal Finance

The district learned this week that SFHS is being recognized by Working in Support of Education (w!se), a New York City-based, national educational nonprofit, as one of its "100 Best w!se High Schools Teaching Personal Finance." The award-winning program provides teachers with a curriculum and instructional resources to teach personal finance and measure students' financial literacy through w!se's Certification Test.

A ceremony for the honorees will be held in New York City on April 25 and is considered to be w!se's most prestigious event. South Fayette will receive a banner to commemorate this special recognition.

Way to go!

★ So proud of our **Lady Lions Basketball Team** for bringing home the district's first Girls Class 5A PIAA Championship after defeating Archbishop Wood last Saturday! They finished the season as the *Tribune-Review's* #1 pick in their Top 10 list.

★ Way to go **Juju Leroux** for being one of four WPIAL basketball players (boys and girls) who were among 24 student-athletes chosen for the first-ever PIAA Hoopsfest All-Championship Teams. **Juju** was also selected by the *Tribune-Review* as their HSSN girls basketball player of the week!

★ Congratulations to **Juju Leroux** and **Ryan Oldaker** for being named to the Second and Third teams respectively for the third annual PUP (*Pittsburgh Union Progress*) girls basketball all-stars. They were selected from all players in the WPIAL and City League.

★ The 21st Roundball all-star weekend, May 24-25 at North Allegheny, includes seven all-senior games over two days (four boys and three girls), and **Gavin Orosz** and **Alexa Ankrum** have both been selected to participate. Woohoo!
