Re: Reset and Restart School Guidelines

The purpose of this announcement is to provide you with the latest information regarding Governor DeWine's guidelines for the reopening of school this August. On Thursday, July 2<sup>nd</sup>, Governor DeWine announced the guidelines entitled Reset and Restart education. These guidelines provide local school districts with a framework for the reopening of school but leave most decisions up to each local school district. The Madison Local School District Leadership Team is scheduled to meet at 10:00 am Tuesday, July 7<sup>th</sup> to begin discussions and planning for how to operate school this August. The Richland County superintendents are scheduled to meet on Wednesday July 8<sup>th</sup> at 10:30 am with the Richland County Health Commissioner, Sarah Humphreys, to discuss student and staff safety protocols for school this fall. The district has also surveyed students in grades K through 4 and grades 5 through 12; parents of all students and teachers. The next step is to include staff in planning safety procedures and daily operational procedures. Once these plans are drafted, we will post the plans on the district website. These plans should be available soon.
