

A PEOPLE'S HISTORY OF THE UNITED STATES

<http://www.historyisaweapon.com/innapeopleshistory.html>

CHAPTER 12 **The Empire and the People**

1. According to Captain A. T. Mahan, of the U.S. Navy, who would inherit the earth (through expansion)?
2. What did Teddy Roosevelt believe about "masterful races" and "supreme triumph"?
3. How could expansion (for trade and economic wealth) be made to look like an act of generosity?
4. Summarize America's open door economic policy.
5. Why did McKinley not want Cuban independence?
6. What was the Teller Amendment?
7. What was the real economic reason for the Spanish-American War?
8. What were the numbers and causes of death in Spanish American War and how were meat-packing companies involved?
9. What three things happened to Cubans when the Spanish surrendered?
10. What were the two ways America "occupied" Cuba after the Spanish surrender?
11. What was the Platt Amendment?
12. Which 5 islands became annexed U.S. territories in 1898?
13. What happened after the US tried to rule the Philippines? Characterize the war.
14. Characterize race relations between American whites and blacks during Philippine war.
