

It's time for the Annual Athletic Boosters Membership Drive!

The mission of the Athletic Boosters is to support all athletic programs at Bexley Middle and High Schools by promoting participation, development, excellence, pride, sportsmanship and a sense of community among team members, the student body, coaches, teachers, staff, administrators, parents, and the Bexley community.

Bexley has 70 Middle School and High School teams, with 25 Varsity sports, and 720 athletes filling 1,100 roster spots. Almost 70% of Bexley's student body participates in athletics!

The Boosters raise money to support athletics through several fundraisers, including our Annual Membership Drive, Lion Card Sales, Concessions Sales, and the Mulch Sale. These dollars enable the Athletic Boosters to provide over \$40K annually to our Athletic Department to cover various expenses, such as:

- Replacement of the track
- Storage cages for wrestling, cheerleading, softball, baseball, Middle School athletics, and the boys High School physical education room
- New weight racks and mirrors for the High School weight room
- Updated entry and individual championship signage at the tennis courts
- High School baskets with mobile backboards and new glass, synchronized, illuminated backboards and new lighting for the Bill Hoyer gymnasium.
- Sanding, repainting and recoating of the Middle School gym floor and replacement lighting
- New batting cages for the baseball program
- Installation of the new turf field in the football stadium
- Trophy display cases in the Lions Lobby
- Dugout benches for the JV baseball field
- A new long jump pit at the stadium
- New scoreboards in the Gene Millard Gym

Your membership supports our student Athletes! To join, please send your membership form and check to the address listed, or go to www.bexleylions.org to join online.
