

South Fayette Township School District
Student and Staff COVID-19 Self-Screening

All students, coaches, and staff should self-screen using the questions below prior to each practice, event, or meeting. If any answer to the questions below is “YES”, the student, coach, or staff member should stay home and consult their healthcare provider.

1. Have you experienced a fever of 100 degrees F or greater in the past 72 hours?
2. Do you currently have a cough?
3. Do you currently have a sore throat or runny nose?
4. Are you currently suffering from shortness of breath?
5. Are you currently experiencing a new loss of taste or smell?
6. Are you currently experiencing vomiting or diarrhea?
7. Are you currently experiencing any body aches, headaches, or fatigue or generally feeling unwell?
8. Within the past 14 days, have you had close contact with someone who is currently sick with suspected or confirmed COVID-19?
