

Wellness4Schools

Dear Parent/Guardian,

We will be hosting a vaccination clinic on August 4, 2020 at South Fayette Township School District. We will be offering all of the immunizations required by law for your child to attend school. The school district administration recognizes that there might be difficulty in obtaining the required vaccinations due to recent COVID -19 circumstances and is hosting this clinic to help parents meet this need. Please see the attached School Vaccination Requirements for Attendance in Pennsylvania Schools. This clinic is completely optional and is being offered to all children who attend the South Fayette Township School District. This clinic is not able to offer the seasonal flu vaccine.

If you choose to attend this vaccination clinic, it is recommended that you consult with your child's primary care provider to find out what vaccines your child may still need. Please complete both pages of the Vaccine Reservation & Consent Form & return it to your child's school by July 13th, and complete the online registration link to sign up for a time slot. Online registration for the clinic must also be completed by July 13th, 2020.

You must indicate the immunizations required for your child and a time slot during the online registration process.

If your child is covered by private commercial health insurance, Pathways Wellness LLC will bill the child's health insurance directly. Parents/Guardians will only be responsible for amounts not covered by insurance. Immunizations are typically covered at 100%. Pathways Wellness LLC, is In-Network with most insurance companies. Insurance information will be finalized in July/August 2020. Students without health insurance coverage can still participate in this clinic at retail cost. Please consult with your child's school nurse if your child does not have health insurance coverage. If you have any questions about your coverage, please call your insurance company's number on the back of your card. If your child is covered by a Vaccine for Children Insurance Plan, you will need to contact your child's VFC Provider or your local health department for immunizations.

Vaccines will be offered at South Fayette Township High School Theatre Lobby on August 4, 2020 from 9AM-1PM. We will be following social distancing guidelines. You must be present with your child, and both you and your child must have face coverings to enter the theatre lobby. No person attending this vaccination clinic should be exhibiting any of the following symptoms of COVID-19 illness:

Fever, chills, cough, shortness of breath, muscle aches, headache, sore throat, sudden loss of taste or smell, nausea or vomiting, diarrhea, runny nose or sinus congestion.

If you would like your child to receive any vaccinations during this clinic, please complete the three steps on the following page:

1) Complete the attached [Vaccination Consent Form and Record](#). The health questions will help to decide which type of vaccine is best for your child. If you have any questions, please consult your child's health care provider. Please return the completed form by July 13, 2020 to your child's school nurse. The completed consent form must be received in order to vaccinate your child.

2) Complete the online registration form at the link below to sign up for immunizations and a time slot. Online registration will end on July 13, 2020. Completing the immunization portion of the online registration ensures that adequate stock of particular vaccines will be available during the clinic.

Online registration link:

- 3) Please inform your child's school nurse of any of the following, prior to the vaccination clinic:
- If you decide you no longer want any particular vaccine for your child
 - If there are any changes in your child's health
 - If your child receives any medications or vaccines within 30 days of the clinic

If you have any questions about the clinic or vaccinations, please contact your child's school nurse:

Elementary School Nurse: Kara Miles BSN, RN, - klmiles@southfayette.org

Intermediate School Nurse: Lorraine Young, BSN, RN- lyoung@southfayette.org

Middle School Nurse: Janine Gordley, BSN, RN- jlgordley@southfayette.org

High School Nurse- Penny Miller MHA, BSN, RN- mpmiller@southfayette.org
