Welcome to Brentwood Middle School! We are extremely excited for the opportunity to work with our 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade students and help them transition from elementary school children to young adults prepared for high school. Our staff is committed to meeting the social, emotional, and academic needs of each child. We work to accomplish this goal through the implementation of the five components of successful middle schools as identified by the Association for Middle Level Education: interdisciplinary teaming, advisory programs, varied instruction, exploratory programs, and transition programs.

Students at the middle school are exposed to rigorous academic content and learning experiences and have the opportunity to be involved in many extracurricular clubs and activities. We challenge our students to take advantage of all the opportunities offered to them. Our goal is to encourage all students to be well rounded and to do their very best at everything they attempt!

It is our pleasure to interact with the students and families in our small, close knit community. Thank you for visiting our web page and please feel free to contact us if you have any questions about the middle school.

Sincerely,

Mr. David Radcliffe  
Principal, Brentwood Middle School
