Dear Parent/Guardian:

Children need healthy meals to learn. **Academy of Tucson Middle School** will be offering healthy meals to all students **at no cost** every school day for the remainder of School Year 2023-2024. Your child(ren) will receive free breakfast and lunch meals every school day without having to pay a fee or submit a household application.

This program will begin April 1, 2024, for all elementary school students. You must fill out a menu calendar for breakfast and lunch for the months of April and May this school year in order for your child(ren) to receive breakfast and/or lunch meals. The monthly orders still need to be turned in to the office manager. You will no longer need to deposit funds to your child(ren)'s meal account(s) or provide payment when submitting your orders to the office manager.

Your child(ren)'s school is approved to operate **Community Eligibility Provision**. No further action is required of you. Your child(ren) will be able to receive free meals without having to pay a fee or submit an application.

My family needs more help. Are there other programs we might apply for?

To find out how to apply for **Supplemental Nutrition Assistance Programs** or other assistance benefits, contact your local assistance office or call 1-855-432-7587.

If you have other questions or need help, call **520-749-1413**.

Sincerely,

Karen Hancock
