Increased Safety Measures | Fun Weekly Themes | An Experience Like No Other

### LOCATED WHERE YOU ARE

With locations across the Greater Pittsburgh area, the YMCA of Greater Pittsburgh is the largest child care provider in the Greater Pittsburgh area. Camping, like any Y program, is about learning skills, developing character, and making friends. You can count on the Y Day Camp programs to be the same safe, high quality, fun-filled camp that you have come to know and trust. We will continue to adapt programming and protocols to go above and beyond in keeping your child safe.

The Avonworth School District does not sponsor or sanction this program.

# 2021

- Environment centered around team building, physical activity, and a weekly theme
- Activities in arts & crafts, outdoor education, & STEM
- Exposure to new, fun and enriching experiences

## A SAFE SUMMER OF FUN

Programs have been adapted to use physical distancing to foster a healthy environment. Staff help prevent the spread of COVID-19 through regular training and safety updates, as well as wearing personal protection equipment (PPE). The Y has a variety of options to serve kids through summer experiences this year.

Children will stay in small group sizes

Staff and children will wash and/or sanitize their hands throughout the day

The YMCA will sanitize all high touch areas and clean equipment frequently

We will take the temperature of all YMCA Staff and children each day and ask screening questions

YMCA Staff and children are required to wear masks if social distancing cannot be maintained

## 2021 DAY CAMP THEMES

Join us as we adventure through the summer with the popular books The Magic Tree House by Mary Pope Osborne. We will be exploring a Magic Tree House each week that corresponds to the theme of the week. We will put an emphasis on language arts this summer, as we know all youth have had education disrupted to some degree this past year.
