

A Message from the Superintendent of

Hilltop Schools

To All Hilltop Parents/Guardians:

COVID-19 Update on April 9, 2020

Instruction:

1. To continue learning at home, teachers will be providing more online lessons soon. Due to Governor DeWine's extended closure of school, we plan to continue the delivery of electronic lessons through May 1. We are hopeful schools will be allowed to resume on May 4.
2. Please be patient as we continue to develop lessons students can access through their email accounts, Google Classroom, or by other means of electronic correspondence. Your teacher should be available to answer questions remotely, preferably through email.
3. If your child is unable to access online lessons please let your teacher know. We will do our best to provide hard copies of essential schoolwork in the following manner:
 - a. **Drop Off and Pickup of Hard Copies – April 16:**
 - School personnel and the local police department plan to deliver hard copies of educational materials on **Thursday, April 16**. If someone comes to your door to deliver new packets, **please have previous work ready for pickup. Please make sure your child's FIRST NAME, LAST NAME, and GRADE LEVEL are written legibly on the outside of any homework envelope you are returning to school.**
 - If your home is unoccupied on **April 16**, we will try to place packets in a safe location.
 - It is important during this exchange of materials to follow social distancing requirements (stay at least 6' from each other).
 - Packets will be delivered (and picked up) at the homes of students who do not have online access.
 - If students have previous schoolwork for return and it is not picked up on Thursday, please find a way to deliver the materials through electronic means (email a PDF; take a picture of the work and email it; use Google Classroom, etc.).
 - **Homework drop off boxes will also be available by Hilltop Elementary on Monday, April 20, Tuesday, April 21, and Wednesday, April 22 from 8:00 am – 3:00 pm.**

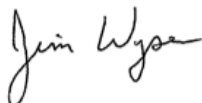

Food:

1. **Food is available for students and families in need on Mondays & Thursdays, from 12:00 – 4:00 pm.** Hilltop Schools and various community groups are teaming up to make sure families don't go hungry. The school, area churches, the Chamber of Commerce and the Village of West Unity are all collecting food. The police department is partnering with us to deliver food to anyone who is unable to pick it up. We are so grateful the community generously supports our Food Bank.
2. We plan to continue the distribution of food at Hilltop Elementary through April 30. Please park at Hilltop Elementary and walk up to the front entrance to receive food.
3. To help us assemble groceries specifically for your family or to have food delivered to your home, please email or call Amy Welling so we can better meet your needs. Amy can be reached at awelling@hilltopcadets.org or by calling (419) 551-7112.

It is important we follow Governor DeWine's directives to keep us safe from COVID-19. If we all work together, we will limit the impact of the Coronavirus on our community.
