

Dear Parents,

As prom approaches, I just wanted to take a minute to relay some important information to you regarding prom. All activities this year will take place at the school. For the safety of the students attending prom, the ONLY time students and their dates are allowed to leave and return to prom is during the break between the dance and post-prom activities from 10:30 pm – 11:15 pm. Unless they have prior approval, students WILL NOT BE ALLOWED TO RETURN to prom, if they leave before 10:30 pm. Parents will be notified immediately if students leave early or haven't arrived at the scheduled time. Please remember, this is to ensure the safety of all students attending prom.

Also, formal wear is required for prom, and all school rules are in effect the entire evening, including the dress code. A copy of the dress code is on the school website. Smoking, drinking or other illegal activities will not be tolerated. If students violate these rules as stated in the school handbook, their parents will be contacted immediately. In the event that parents cannot be reached, the police will be contacted.

We hope students and their guests will have a safe and enjoyable evening. If you have any questions, feel free to contact the school. Thank you.
