### Limited Time Only – Free Breakfast and Lunch Meals

Millcreek-West Unity Schools has received notification from the Ohio Department of Education that our district is receiving Federal funding in which all students will receive free breakfast and lunch meals. This benefit is for a limited time only and begins September 16 through December 22, or until federal funding has ended. This does not include Ala Carte items and separate/extra milk only purchases. Students will continue to be charged for any extra items beyond the meal. If you have not already filled out a free and reduced meal application, please do so. This will ensure that once this program is discontinued, your child's meal benefit will return to its approved benefit.
