

SCIENCE INVESTIGATION WORKSHOPS

FREE TRAINING

for all
educators

Join our science instructional specialists as they help you navigate expectations, glean tips for set up and implementation, and practice activities within each NYSED Science Investigation. Learn how these labs relate to the standards and how they can fit into your curriculum. Ask questions and collaborate with colleagues!

Making Sense of the ELS & ILS Investigations for Administrators

*Offered by district request,
either in-person or online*

An informative one-hour session that sheds light on the new NYSED Elementary and Intermediate Level Science Investigations including the rationale behind their development, the gist of each lab, various factors affecting administration of the investigations, and the pros and cons of different implementation options for districts.

To schedule, contact Lisa Zeznick at lzeznick@monroe2boces.org.
