

Dear Parents and Guardians,

April 21st, 2023

Our annual Spring Arts Festival is just one week away! Our students are so excited to show off their hard work! Below I have listed your child's class, their call time (arrival time) and the time they sing on the stage. Please try to drop your child off in the kindergarten wing **at the beginning** of the drop off time and then join the line to enter the gym. No one will be permitted to enter the gym when classes are performing. It is very loud, bright, and distracting to open the doors while our students are performing. It makes it hard for our students to focus.

One other note, parking will be very congested during the Spring Arts Festival. We have nearly 1000 students performing over the course of the evening. Please leave yourself plenty of time to park your car and walk with your child to the kindergarten wing. I would recommend arriving at least fifteen minutes before your child's call time.

Thanks,
Mrs. Hartzler
