Dear Summit Preschool Families,

We are grateful for the trust you place in us to provide your child with a high-quality early education each day. I am writing to share an update about the availability of **Early Childhood Education (ECE) Grant** seats at select Summit Preschool locations (see list on the next page).

If your household income is **at or below 200% of the Federal Poverty Level**, your family may qualify for **Early Care and Education Assistance** through the State of Ohio.

To determine your eligibility, you may apply online at benefits.ohio.gov or contact your **County Job and Family Services (JFS)** office. Please note that there are several types of Early Care and Education Assistance available; however, **Summit Preschool only accepts the Early Childhood Education (ECE) Grant**. We cannot accept any other form of assistance.

When applying, you will need to provide the **license number** of the preschool site your child attends. Sites currently offering grant availability are listed on the next page. If you are found eligible, JFS will issue you an **eligibility letter**, which you will then submit to us. Once received, we will adjust your tuition based on your income using the sliding scale provided and issue any applicable refund for overpayment.

ECE Grant seats are filled on a **first-come, first-served basis**. Please note that JFS may continue issuing eligibility notices even after all available grants have been allocated within Summit Preschool, so we encourage interested families to apply as soon as possible.

If you have questions about the application or eligibility process, please contact your **County Job and Family Services office** directly, as we are unable to assist with applications. Once you have received your eligibility notice, our team will be happy to guide you through the next steps.

Thank you for your continued partnership and support.

Sincerely,

Zach Miley, MSW, LISW-S, OCPC
