Mission Statement: "We are committed to providing students with opportunities that will enable them to become confident, self-directed, lifelong learners and productive citizens."

School Information

Asheboro High School (AHS) is a public, comprehensive high school located in the heart of the city of Asheboro, North Carolina. Founded in 1949, AHS serves students in grades nine through twelve. AHS Zoo School, at the North Carolina Zoo, offers many unique problem-solving opportunities with college and career applications. As an AP Capstone School, students can graduate with the AP Capstone Diploma or AP Seminar and Research Certificate. "SparkNC is an educational initiative that offers a diverse range of learning experiences, allowing students to personalize their education and build skills in high-tech fields such as cybersecurity, artificial intelligence, computer systems engineering, design UX/UI, game development and design and software development."
