

Montrose Summer Reading Pizza Party

When you read books during the summer, record your book titles on this Summer Reading Record. Return the completed record to the box outside the office **by Friday, August 23** and you will be invited to a pizza party lunch with your grade level friends in mid-September. More information will be available when school begins in August. For now, enjoy your summer reading!

Recommended reading: for beginning readers books that are read aloud to the child may be included. For the older readers, please read books that are within your comfortable reading level. Children reading longer chapter books can read and record accordingly. (It will take more time to read chapter books than picture books.)
