

WINTER CHILL & THRILL

Attention Parents and Guardians:

For the Winter Concert this year, the music and art departments are asking for food donations of canned foods and dry goods. The food drive will be taking place from November 1st through November 26th and all donations will be given to the Brentwood Food Pantry to provide families in our area with meals during the holiday season.

During our food drive, we are hoping to collect as much as we can to give back to our community. Some examples of foods that could be brought in are the following:

- Soup
- Cereal
- Pasta
- Sugar
- Flour
- Juice
- Rice
- Oatmeal
- Canned Vegetables
- Canned Fruits
- Canned Meat
- Microwavable Foods

All our classes will be receiving boxes to collect the donations. Donations given will be counted towards our reward system: giant candies to put on our Winter Concert gingerbread house stage display! The giant candies will be made in art class, and 4th and 5th grade students will be creating the gingerbread houses that classes will display the candies on.

We are overwhelmingly excited by the prospect of the Food Drive. We cannot wait to see the wonderful giving spirit of Elroy Elementary shine this holiday season!

Thank you,

Mr. Sherman & Mrs. Graff
