Attention: Parents and Students of McComb Schools,

Regarding eligibility to participate in athletic contests,

Due to COVID, the OHSAA suspended academic requirements back in the spring of 2020 for the beginning of the 2020-2021 school year. The information in this letter is to make all educational stakeholders aware that McComb Schools will resume regulating minimum academic requirements for all students.

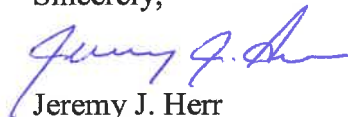

Student/athletes at McComb Schools are expected to maintain certain academic requirements in order to be eligible to participate in athletic contests. These expectations are mostly in line with the Ohio High School Athletic Association's requirements, however, to provide additional clarity for parents and students, these are listed below:

- 1) The 1<sup>st</sup> quarter for McComb Local Schools ends on Friday, November 6, 2020. The following Monday begins the new quarter. **All eligibility requirements will be enforced starting Monday, November 9<sup>th</sup>, 2020.**
- 2) To participate in OHSAA athletic contests a student/athlete MUST pass a minimum of five credits at the end of the previous nine weeks. (credits should not be confused with classes since some classes are only worth 1/2 credit, i.e. Physical Education)
- 3) Students must maintain a minimum 1.0 GPA to be eligible to participate in athletic contests.

If students fail to meet the necessary academic requirements during the first grading period, they will be ineligible to participate in any athletic contests until the end of the second grading period, which is Friday, January, 17, 2021. At this time every student's academic standing will be reviewed to determine athletic eligibility for the third grading period.

If you have any questions regarding eligibility, do not hesitate to ask our athletic director, Mr. Shawn Woolf @ 419-293-3853 extension 304 or 7-12 grade principal, Mr. Jeremy Herr @ 419-293-3853 extension 301.

Sincerely,

Jeremy J. Herr  
7-12 Grade Principal
